**Item 1.02 Termination of a Material Definitive Agreement**

The information set forth under Item 2.03 below is incorporated by reference into this Item 1.02.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of Registrant****Closing of Notes Offering**

On August 29, 2019, Gaming and Leisure Properties, Inc. (“GLPI”) closed its previously announced offering (the “Notes Offering”) of \$1,100.0 million aggregate principal amount of two series of senior unsecured notes issued by GLP Capital, L.P., GLPI’s operating partnership (the “Operating Partnership”), and GLP Financing II, Inc., a wholly owned subsidiary of the Operating Partnership (“Capital Corp.” and, together with the Operating Partnership, the “Issuers”), consisting of \$400.0 million of 3.350% senior notes due 2024 (the “2024 Notes”) and \$700.0 million of 4.000% senior notes due 2030 (the “2030 Notes” and, together with the 2024 Notes, the “Notes”).

*Indenture for the Notes*

The Issuers issued the Notes on August 29, 2019 pursuant to an Indenture, dated as of October 30, 2013 (the “Base Indenture”), as supplemented by a First Supplemental Indenture, dated March 28, 2016 (the “First Supplemental Indenture”) and, with respect to the 2024 Notes, the Eighth Supplemental Indenture, dated August 29, 2019 (the “Eighth Supplemental Indenture”), and, with respect to the 2030 Notes, the Ninth Supplemental Indenture, dated August 29, 2019 (the “Ninth Supplemental Indenture” and, together with the Base Indenture, the First Supplemental Indenture and the Eighth Supplemental Indenture, the “Indenture”), among the Issuers, GLPI, as parent guarantor, and Wells Fargo Bank, National Association, as trustee (the “Trustee”).

The 2024 Notes mature on September 1, 2024 and bear interest at a rate of 3.350% per year. Interest on the 2024 Notes is payable on March 1 and September 1 of each year, commencing on March 1, 2020. The 2030 Notes mature on January 15, 2030 and bear interest at a rate of 4.000% per year. Interest on the 2030 Notes is payable on January 15 and July 15 of each year, commencing on January 15, 2020.

The Issuers may, at their option, redeem all or part of either series of Notes at any time prior to the date that is, with respect to the 2024 Notes, 30 days, and with respect to the 2030 Notes, 90 days, prior to the maturity date of the applicable series of Notes (the “Par Call Date”), at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the redemption date, plus a make-whole premium. At any time on or following the applicable Par Call Date, the Issuers may redeem all or part of either series of Notes at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the redemption date.

If GLPI experiences a change of control accompanied by a decline in the credit rating of either series of Notes, the Issuers will be required to give holders of the Notes of such series the opportunity to sell the Issuers their Notes of such series at a price equal to 101% of the principal amount of the Notes of such series, together with accrued and unpaid interest, if any, to, but not including, the repurchase date. The Notes also are subject to mandatory redemption requirements imposed by gaming laws and regulations.

The Notes are guaranteed on a senior unsecured basis by GLPI. The Notes are the Issuers’ senior unsecured obligations and rank pari passu in right of payment with all of the Issuers’ senior indebtedness, and senior in right of payment to all of the Issuers’ subordinated indebtedness, without giving effect to collateral arrangements. The Notes are effectively subordinated to the Issuers’ future secured indebtedness, if any, to the extent of the value of the assets securing such indebtedness. The Notes are not guaranteed by any of the Operating Partnership’s subsidiaries, except in the event that the Operating Partnership in the future issues certain subsidiary-guaranteed debt securities, and, therefore, unless and until such time, the Notes are structurally subordinated to all liabilities of any of the Operating Partnership’s subsidiaries (excluding Capital Corp.).

The Indenture contains covenants limiting the Issuers’ ability to: incur additional debt and use their assets to secure debt; merge or consolidate with another company; and make certain amendments to the master lease, dated November 1, 2013, under which the Operating Partnership leases to Penn Tenant, LLC most of the assets that were acquired from Penn National Gaming, Inc. in 2013 (the “Penn Master Lease”). The Indenture also requires the Issuers to maintain a specified ratio of unencumbered assets to unsecured debt. These covenants are subject to a number of important and significant limitations, qualifications and exceptions.

Events of default under the Indenture include, among others, the following with respect to a series of Notes: default for 30 days in the payment when due of interest on the Notes of such series; default in payment when due of the principal of, or premium, if any, on the Notes of such series; failure to comply with certain covenants in the Indenture with respect to such series for 60 days after the receipt of notice from the Trustee or holders of 25% in aggregate principal amount of the Notes of such series; acceleration or payment default of debt of the Issuers in excess of a specified amount; certain events of bankruptcy or insolvency; and the Penn Master Lease or the guaranty related thereto terminating in certain circumstances. In the case of an event of default arising from certain events of bankruptcy or insolvency with respect to the Issuers, all Notes then outstanding will become due and payable immediately without further action or notice. If any other event of default occurs with respect to the Notes, the Trustee or holders of 25% in aggregate principal amount of the Notes may declare all the Notes (or the Notes of such series, as applicable) to be due and payable immediately.

The net proceeds from the Notes Offering were approximately \$1,087.9 million. The Issuers used (i) approximately \$813.5 million of the net proceeds to finance a cash tender offer (the "Tender Offer") to purchase up to any and all of the \$1,000.0 million aggregate principal amount of the Issuers' outstanding 4.875% senior unsecured notes due November 1, 2020 (the "2020 Notes") and repurchased approximately \$782.6 million of the 2020 Notes tendered as of 5:00 p.m., New York City time, on August 28, 2019 (the "Early Tender Deadline"), plus accrued interest from the most recent interest payment date up to, but not including, August 30, 2019 (the "Early Settlement Date") and the early tender premium of \$30.00 per \$1,000 principal amount of 2020 Notes accepted for purchase (the "Early Tender Premium"), (ii) approximately \$200.0 million to repay outstanding borrowings under the Operating Partnership's revolving credit facility (the "Revolving Credit Facility"), of which \$1.6 million will be allocated to outstanding Notes Offering expenses, and (iii) approximately \$76.0 million to repay outstanding borrowings under the Operating Partnership's term loan A-1 facility. If the holders of the approximately \$217.4 million aggregate principal amount of 2020 Notes that remained outstanding after the Early Tender Deadline tender such remaining 2020 Notes prior to 11:59 p.m., New York City time, on September 12, 2019 (the "Expiration Date"), the Issuers intend to use borrowings under the Revolving Credit Facility to finance the repurchase of the remaining 2020 Notes.

The foregoing description of the Indenture does not purport to be complete and is subject to, and qualified in its entirety by, reference to the full text of the Base Indenture, the First Supplemental Indenture, the Eighth Supplemental Indenture (including the form of 2024 Note attached thereto) and the Ninth Supplemental Indenture (including the form of 2030 Note attached thereto), which are filed herewith as Exhibits 4.1, 4.2, 4.3 and 4.4, respectively, and incorporated herein by this reference.

#### **Item 8.01 Other Events.**

On August 28, 2019, GLPI issued a press release announcing that, as of the Early Tender Deadline, holders of \$782,593,000 aggregate principal amount of 2020 Notes, representing 78.26% of the outstanding principal amount of the 2020 Notes, had tendered their 2020 Notes pursuant to the previously announced Tender Offer. As of the Early Tender Deadline, \$217,407,000 aggregate principal amount of the 2020 Notes had not been tendered. Pursuant to the terms of the Offer to Purchase and related Letter of Transmittal, each dated August 15, 2019, delivered by the Issuers in connection with the Tender Offer (collectively, the "Offer Documents"), the Issuers have accepted for purchase all \$782,593,000 aggregate principal amount of the 2020 Notes tendered as of the Early Tender Deadline. Notwithstanding the Issuer's exercise of its early acceptance rights, the Tender Offer will remain open until the Expiration Date, subject to the terms and conditions set forth in the Offer Documents.

On August 29, 2019, GLPI issued a press release announcing that holders of 2020 Notes who validly tendered their 2020 Notes on or before the Early Tender Deadline received the tender offer total consideration of \$1,023.37 per \$1,000 principal amount of 2020 Notes accepted for purchase (the "Total Consideration"), which includes the Early Tender Premium. Holders of Notes accepted for purchase also received accrued interest from the most recent interest payment date up to, but not including, the Early Settlement Date.

Holders of 2020 Notes who validly tender their 2020 Notes after the Early Tender Deadline but on or before the Expiration Date will be eligible to receive the tender offer consideration of \$993.37 per \$1,000 principal amount of 2020 Notes accepted for purchase, which is equal to the Total Consideration minus the Early Tender Premium. The settlement date for 2020 Notes that are tendered following the Early Tender Deadline but at or prior to the Expiration Date is expected to be September 16, 2019 (the "Final Settlement Date"). Holders of 2020 Notes accepted for purchase on the Final Settlement Date will also receive accrued interest from most recent interest payment date for the Notes up to, but not including, the Final Settlement Date.

Copies of the press releases dated August 28, 2019, announcing the early results of the Tender Offer, and August 29, 2019, announcing the pricing of the Tender Offer, are attached as Exhibits 99.1 and 99.2, respectively, hereto and are incorporated herein by reference.

This Current Report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any securities of GLPI or the Issuers, including, without limitation, the Notes offered and sold in the Notes Offering. This Current Report on Form 8-K does not constitute an offer to purchase any of the outstanding 2020 Notes and any such offer will be effected solely through the Offer Documents.

EIGHTH SUPPLEMENTAL INDENTURE (this “*Eighth Supplemental Indenture*”), dated as of August 29, 2019 (the “*Series Issue Date*”), among GLP Capital, L.P., a Pennsylvania limited partnership (the “*Operating Partnership*”), GLP Financing II, Inc., a Delaware corporation (“*Capital Corp.*” and, together with the Operating Partnership, the “*Issuers*”), Gaming and Leisure Properties, Inc., a Pennsylvania corporation (the “*Parent Guarantor*”) and Wells Fargo Bank, National Association, as trustee (the “*Trustee*”).

WHEREAS, the Issuers, the Parent Guarantor and the Trustee entered into an Indenture, dated as of October 30, 2013 (the “*Original Indenture*” and, as amended, supplemented and modified by the First Supplemental Indenture, dated as of March 28, 2016, the “*Base Indenture*”), providing for the issuance from time to time of one or more series of the Issuers’ Notes;

WHEREAS, Section 2.01 of the Base Indenture permits the forms and terms of the Notes of any series to be established in a Series Supplemental Indenture;

WHEREAS, the Issuers have requested the Trustee to join with them and the Parent Guarantor in the execution of this Eighth Supplemental Indenture in order to supplement the Base Indenture by, among other things, establishing the forms and certain terms of a series of Notes to be known as the Issuers’ 3.350% Senior Notes due 2024 and adding certain provisions thereto for the benefit of the Holders of the Notes of such series;

WHEREAS, the Issuers have furnished the Trustee with a duly authorized and executed Issuers Order dated the date hereof authorizing the execution of this Eighth Supplemental Indenture and the issuance of the Notes established hereby; and

WHEREAS, all things necessary to make this Eighth Supplemental Indenture a valid, binding and enforceable agreement of the Issuers, the Parent Guarantor and the Trustee and a valid supplement to the Base Indenture have been done;

NOW, THEREFORE, the Issuers, the Parent Guarantor and the Trustee agree as follows for the benefit of each other and for the equal and ratable benefit of the Holders of the Notes established hereby:

ARTICLE I.  
DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.01 *Definitions.*

The Base Indenture as amended and supplemented by this Eighth Supplemental Indenture is collectively referred to as the “*Indenture*.” All capitalized terms which are used herein and not otherwise defined herein are defined in the Base Indenture and are used herein with the same meanings as in the Base Indenture. If a capitalized term is defined both in the Base Indenture and this Eighth Supplemental Indenture, the definition in this Eighth Supplemental Indenture shall apply to the Notes established hereby (and any Guarantee in respect thereof).

“*2013 Offering Memorandum*” means the offering memorandum of the Issuers, dated October 23, 2013.

---

“*Capitalized Value*” means, with respect to the Master Lease Properties or any other group of related properties or any other property, the Property EBITDA of the Master Lease Properties or such other group of related properties or such property, as the case may be, for the most recent four completed fiscal quarters divided by 8.25%.

“*Change of Control*” means the occurrence of any of the following:

(1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Parent Guarantor, the Operating Partnership and their Subsidiaries taken as a whole to any “person” (as that term is used in Section 13(d) of the Exchange Act); *provided, however*, that for the avoidance of doubt, the lease of all or substantially all of the real estate assets of the Parent Guarantor or any Issuer or any of their respective subsidiaries, to PNGI or its Subsidiaries or to another operator pursuant to the Master Lease or another real estate lease or leases shall not constitute a Change of Control;

(2) the adoption by shareholders or partners of a plan relating to the liquidation or dissolution of the Parent Guarantor or the Operating Partnership;

(3) the consummation of any transaction (including any merger or consolidation) the result of which is that any “person” (as defined above), other than any holding company which owns 100% of the Voting Stock of the Parent Guarantor (so long as no Change of Control would otherwise have occurred in respect of the Voting Stock of such holding company), becomes the Beneficial Owner, directly or indirectly, of more than 50% of the Voting Stock of the Parent Guarantor, measured by voting power rather than number of shares;

(4) (i) the Parent Guarantor ceases to own, directly or indirectly, more than 50% of the Voting Stock of the Operating Partnership or (ii) the sole general partner of the Operating Partnership ceases to be the Parent Guarantor or one or more of the Parent Guarantor’s wholly owned subsidiaries; or

(5) the first day on which a majority of the members of the Board of Directors of the Parent Guarantor are not Continuing Directors.

For purposes of this definition, (1) no Change of Control shall be deemed to have occurred solely as a result of a transfer of assets among the Parent Guarantor, any Issuer and any of their respective Subsidiaries and (2) a Person shall not be deemed to have beneficial ownership of securities subject to a stock purchase agreement, merger agreement or similar agreement until the consummation of the transactions contemplated by such agreement.

“*Comparable Treasury Issue*” means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the Notes being redeemed calculated as if the maturity date of such Notes were the Par Call Date (the “*Remaining Life*”) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life of such Notes.

---

“*Consolidated EBITDA*” means, for the applicable test period, the net income (or net loss) of the Issuers and their Subsidiaries for such period, determined on a consolidated basis in accordance with GAAP, except to the extent that GAAP is not applicable, including, without limitation, with respect to the determination of all extraordinary, non-cash and non-recurring items ((x) excluding, without duplication, gains (or losses) from dispositions of depreciable real estate investments, property valuation losses and impairment charges and (y) before giving effect to cash dividends on preferred units of the Issuers or charges resulting from the redemption of preferred units of the Issuers attributable to the Issuers and their Subsidiaries for such period determined on a consolidated basis in conformity with GAAP);

(1) *plus*, without duplication and solely to the extent already deducted (and not added back) in arriving at such net income (or net loss), the sum of the following amounts for such period:

- (a) interest expense (whether paid or accrued and whether or not capitalized);
- (b) income tax expense;
- (c) depreciation expense;
- (d) amortization expense;
- (e) extraordinary, non-recurring and unusual items, charges or expenses (including, without limitation, impairment charges, fees, costs and expenses relating to the Transactions, prepayment penalties and costs, fees or expenses incurred in connection with any capital markets offering, debt financing, or amendment thereto, redemption or exchange of indebtedness, lease termination, business combination, acquisition, disposition, recapitalization or similar transaction (regardless of whether such transaction is completed));
- (f) expenses and losses associated with hedging agreements;
- (g) expenses and losses resulting from fluctuations in foreign exchange rates;
- (h) other non-cash items, charges or expenses reducing net income (or increasing net loss) (other than items that will require cash payments and for which an accrual or reserve is, or is required by GAAP to be, made in which case, at the election of the Issuers such items may be added back when accrued and deducted from net income when paid in cash, or given effect (and not added back to net income) when accrued or reserved);
- (i) the amount of integration costs deducted (and not added back) in such period in computing the net income (or net loss);
- (j) severance, relocation costs, signing costs, retention or completion bonuses, transition costs, curtailments or modifications to pension and post-retirement employee benefit plans (including any settlement of pension liabilities); and

---

(k) to the extent not included in net income or, if otherwise excluded from Consolidated EBITDA due to the operation of clause (2) (a) below, the amount of insurance proceeds received during such period, or after such period and on or prior to the date the calculation is made with respect to such period, attributable to any property which has been closed or had operations curtailed for such period; *provided* that such amount of insurance proceeds shall only be included pursuant to this clause (k) to the extent of the amount of insurance proceeds plus Consolidated EBITDA attributable to such property for such period (without giving effect to this clause (k)) does not exceed Consolidated EBITDA attributable to such property during the most recent four consecutive fiscal quarter period that such property was fully operational (or if such property has not been fully operational for the most recent such period prior to such closure or curtailment, the Consolidated EBITDA attributable to such property during the consecutive fiscal quarter period prior to such closure or curtailment (for which financial results are available) annualized over four fiscal quarters);

(2) *minus*, without duplication and solely to the extent included in arriving at such net income (or net loss), the sum of the following amounts for such period:

- (a) extraordinary, non-recurring and unusual gains (other than insurance proceeds);
- (b) gains attributable to hedging agreements;
- (c) non-cash gains resulting from fluctuations in foreign exchange rates; and
- (d) other non-cash gains increasing net income (or decreasing net loss) other than accruals in the ordinary course.

For purposes of this definition, net income (net loss) shall only include the Issuers' Ownership Share of net income (net loss) of their non-wholly owned Subsidiaries and Unconsolidated Affiliates and, accordingly, there shall be no deduction from net income or Consolidated EBITDA for non-controlling or minority interests in such Persons.

Consolidated EBITDA will be adjusted, without duplication, to give pro forma effect: (x) in the case of any assets having been placed-in-service or removed from service since the beginning of the period and on or prior to the date of determination, to include or exclude, as the case may be, any Consolidated EBITDA earned or eliminated as a result of the placement of such assets in service or removal of such assets from service as if the placement of such assets in service or removal of such assets from service occurred at the beginning of the period; and (y) in the case of any acquisition or disposition of any asset or group of assets since the beginning of the period and on or prior to the date of determination, including, without limitation, by merger, or stock or asset purchase or sale, to include or exclude, as the case may be, any Consolidated EBITDA earned or eliminated as a result of the acquisition or disposition of those assets as if the acquisition or

---

disposition occurred at the beginning of the period. For purposes of calculating Consolidated EBITDA, all amounts shall be as reasonably determined by an Issuer, and in accordance with GAAP except to the extent that GAAP is not applicable, including, without limitation, with respect to the determination of extraordinary, non-cash or non-recurring items.

“*Credit Facility*” means the Credit Agreement, dated October 28, 2013, among the Operating Partnership, as the Borrower, JPMorgan Chase Bank, N.A., as Administrative Agent, L/C Issuer and Swingline Lender and the parties named therein as Co-Syndication Agents, Documentation Agents, Joint Physical Bookrunners and Joint Lead Arrangers, and the lenders from time to time party thereto, including any related notes, guarantees, instruments and agreements executed in connection therewith, and in each case as amended through the Issue Date and as amended, modified, renewed, refunded, restructured, replaced or refinanced from time to time including increases in principal amount (whether the same are provided by the original agents and lenders under such Credit Facility or other agents or other lenders).

**3.350% Senior Notes due 2024**

This Note is one of a duly authorized series of notes (the “Notes”) of the Issuers designated as its 3.350% Notes due 2024 (the “Notes”). The Notes are all issued or to be issued under and pursuant to an Indenture, dated as of October 30, 2013, as supplemented by the First Supplemental Indenture, dated as of March 28, 2016, and the Eighth Supplemental Indenture, dated as of August 29, 2019 (the “Indenture”), duly executed and delivered by and among GLP Capital, L.P., a Pennsylvania limited partnership (the “Operating Partnership”), GLP Financing II, Inc., a Delaware corporation (together with the Operating Partnership, the “Issuers”), Gaming and Leisure Properties, Inc., as Parent Guarantor, and Wells Fargo Bank, National Association, as Trustee, to which the Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Issuers, the Parent Guarantor, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered. The terms of individual series of Notes may vary with respect to interest rate or interest rate formulas, issue dates, maturity, redemption, repayment, currency of payment and otherwise. Capitalized terms used herein shall have the meanings assigned to them in the Indenture unless otherwise indicated.

1. Interest. The Issuers promise to pay interest on the principal amount of this Note at 3.350% per annum until maturity. The Issuers shall pay interest semi-annually in arrears on March 1 and September 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “Interest Payment Date”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided*, further, that the first Interest Payment Date shall be March 1, 2020. The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Issuers will pay interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the close of business on February 15 and August 15 preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within the City and State of New York, or, at the option of the Issuers, payment of interest and any Liquidated Damages may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and provided that payment by wire transfer of immediately available funds will be required with respect to principal of and interest,

---

premium and any Liquidated Damages on, all Global Notes and all other Notes the Holders of which hold at least \$1,000,000 in principal amount of the Notes and shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Issuers or any of their Subsidiaries may act in any such capacity.

4. Indenture. The Issuers issued the Notes under the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. Optional Redemption. The Issuers may redeem all or part of the Notes at any time at their option at a redemption price equal to the greater of: (1) 100% of the principal amount of the Notes to be redeemed, and (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon that would be due if such Notes matured 30 days prior to their maturity date (the "Par Call Date") but for the redemption thereof (exclusive of interest accrued to, but not including, the date of redemption) discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points, in each case, plus accrued and unpaid interest on the amount being redeemed to, but not including, the date of redemption; *provided, however*, that if the Issuers redeem the Notes on or after the Par Call Date, the redemption price will equal 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the amount being redeemed to, but not including, the date of redemption; *provided, further*, that installments of interest that are due and payable on any interest payment dates falling on or prior to a redemption date shall be payable on such interest payment dates to the persons who were registered Holders of the Notes at the close of business on the applicable record dates.

In addition to the foregoing, if any Gaming Authority requires that a Holder or Beneficial Owner of Notes must be licensed, qualified or found suitable under any applicable Gaming Laws and such Holder or Beneficial Owner (i) fails to apply for a license, qualification or a finding of suitability within 30 days (or such shorter period as may be required by the applicable Gaming Authority) after being requested to do so by the Gaming Authority, or (ii) is denied such license or qualification or not found suitable, or if any Gaming Authority otherwise requires that Notes from any Holder or Beneficial Owner be redeemed, subject to applicable Gaming Laws, the Issuers shall have the right, subject to applicable Gaming Laws, at their option (i) to require any such Holder or Beneficial Owner to dispose of its Notes within 30 days (or such earlier date as may be required by the applicable Gaming Authority) of receipt of such notice or finding by such Gaming Authority, or (ii) to call for the redemption of the Notes of such Holder or Beneficial Owner at a redemption price equal to the least of (A) the principal amount thereof, together with accrued interest to the earlier of the date of redemption or the date of the denial of license or qualification or

---

of the finding of unsuitability by such Gaming Authority, (B) the price at which such Holder or Beneficial Owner acquired the Notes, together with accrued interest to the earlier of the date of redemption or the date of the denial of license or qualification or of the finding of unsuitability by such Gaming Authority, or (C) such other lesser amount as may be required by any Gaming Authority.

6. Mandatory Redemption. The Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

7. [Reserved].

8. Repurchase at Option of Holder upon Change of Control Triggering Event. If a Change of Control Triggering Event occurs with respect to the Notes, each Holder of such Notes shall have the right to require the Issuers to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture, except to the extent the Issuers have previously redeemed such Notes as described under Section 3.07 of the Indenture. In the Change of Control Offer, the Issuers shall offer the Change of Control Payment. Subject to the Indenture, within 30 days following the occurrence of a Change of Control Triggering Event, the Issuers shall mail a notice to each Holder of Notes describing the transaction or transactions that constitute, or are expected to constitute, the Change of Control Triggering Event, and offering to repurchase Notes on the Change of Control Payment Date as specified in the notice required by the Indenture.

9. Notice of Redemption. Except as otherwise provided in the Indenture, including as provided in Section 3.03(a) of the Indenture, notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. On and after the redemption date interest ceases to accrue on Notes or portions thereof called for redemption.

10. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before the mailing of a notice of redemption or during the period between a record date and the corresponding Interest Payment Date.

11. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

---

12. Amendment, Supplement and Waiver. Subject to Sections 6.04 and 6.07 of the Indenture, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of the Indenture or the Notes. However, without the consent of each Holder affected, an amendment or waiver under Section 9.02 of the Indenture may not: (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver; (ii) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than provisions relating to the covenants described under Section 4.11 of the Indenture); (iii) reduce the rate of or change the time for payment of interest on any Note; (iv) waive a Default or Event of Default in the payment of principal of, or interest or premium on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration); (v) make any Note payable in money other than that stated in the Notes; (vi) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium on the Notes; (vii) waive a redemption payment with respect to any Note (other than a payment required by the covenants described under Section 4.11 of the Indenture); or (viii) make any change in Section 6.04 or 6.07 of the Indenture or in the foregoing amendment and waiver provisions.

Notwithstanding Section 9.02 of the Indenture, the Issuers and the Trustee may amend or supplement the Indenture or this Note without the consent of any Holder of a Note: (i) to cure any ambiguity, defect, mistake or inconsistency; (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of Article II of the Indenture (including the related definitions) in a manner that does not materially adversely affect any Holder; (iii) to provide for the assumption of the Issuers' obligations to the Holders of the Notes by a successor to the Issuers pursuant to Article V of the Indenture; (iv) to comply with the rules of any applicable securities depository; to comply with applicable Gaming Laws, to the extent that such amendment or supplement is not materially adverse to the Holders of Notes; (v) to provide for the issuance of additional Notes of any series in accordance with the limitations set forth in the Indenture; (vi) to make any change that would provide any additional rights or benefits to the Holders of Notes (including to provide for any Guarantees of the Notes or any collateral securing the Notes or any Guarantees of the Notes) or that does not materially adversely affect the legal rights under the Indenture of any such Holder of the Note; (vii) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; or (viii) to conform the text of the Indenture or the Notes to any provision of the "Description of the Notes" section contained in the 2013 Offering Memorandum or the Prospectus Supplement filed in connection with the Notes as set forth in an Officer's Certificate.

13. Defaults and Remedies. The following are "Events of Default" under the Indenture with respect to Notes of a particular series: (i) the Issuers default in the payment when due of interest on the Notes of such series and such default continues for a period of 30 days; (ii) the Issuers default in the payment when due of the principal of or premium, if any, on the Notes of such series when the same becomes due and payable at maturity, upon redemption (including in connection with an offer to purchase) or otherwise; (iii) subject to the last paragraph of Section 6.01 of the Indenture, the Issuers or any of their Subsidiaries fail to observe or perform any other covenant, representation, warranty or other agreement (other than a covenant or agreement included in the Indenture for the benefit of one or more series of Notes other than such series of

---

Notes) in the Indenture or the Notes of such series for 60 days after the Issuers' receipt of notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding that have such covenant, representation, warranty or other agreement; (iv) a default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any of the Issuers' recourse Indebtedness (or the payment of which the Issuers guarantee), whether such Indebtedness or guarantee now exists, or is created after the date of the Indenture, if that default: (x) is caused by a Payment Default; or (y) results in the acceleration of such Indebtedness prior to its express maturity (which acceleration has not been rescinded, annulled or cured within 20 Business Days after receipt by the Issuers of notice from the Trustee or Holders of at least 25% in principal amount of the Notes then outstanding specifying such default), and, in each case, the due and payable principal amount of any such Indebtedness, together with the due and payable principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100.0 million or more; (v) certain events of bankruptcy or insolvency with respect to the Issuers or any of their Subsidiaries that is a Significant Subsidiary or any group of Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary, and (vi) under certain circumstances the termination or ceasing of effectiveness of the Master Lease. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable.

Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Issuers, all outstanding Notes shall become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, interest or Liquidated Damages) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or Liquidated Damages on, or the principal of, the Notes; provided, however, that the Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all the Holders rescind an acceleration and its consequences. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

14. Trustee Dealings with Issuers. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

15. No Recourse Against Others. No director, officer, employee, incorporator or direct or indirect partner, member or stockholder, past, present or future, of the Issuers, the Parent Guarantor, any other Guarantor or any successor entity, as such, shall have any liability for any obligations of the Issuers or the Guarantors under the Indenture, the Notes or the Note Guarantees

---

or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

16. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

17. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. CUSIP Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

NINTH SUPPLEMENTAL INDENTURE (this “*Ninth Supplemental Indenture*”), dated as of August 29, 2019 (the “*Series Issue Date*”), among GLP Capital, L.P., a Pennsylvania limited partnership (the “*Operating Partnership*”), GLP Financing II, Inc., a Delaware corporation (“*Capital Corp.*” and, together with the Operating Partnership, the “*Issuers*”), Gaming and Leisure Properties, Inc., a Pennsylvania corporation (the “*Parent Guarantor*”) and Wells Fargo Bank, National Association, as trustee (the “*Trustee*”).

WHEREAS, the Issuers, the Parent Guarantor and the Trustee entered into an Indenture, dated as of October 30, 2013 (the “*Original Indenture*” and, as amended, supplemented and modified by the First Supplemental Indenture, dated as of March 28, 2016, the “*Base Indenture*”), providing for the issuance from time to time of one or more series of the Issuers’ Notes;

WHEREAS, Section 2.01 of the Base Indenture permits the forms and terms of the Notes of any series to be established in a Series Supplemental Indenture;

WHEREAS, the Issuers have requested the Trustee to join with them and the Parent Guarantor in the execution of this Ninth Supplemental Indenture in order to supplement the Base Indenture by, among other things, establishing the forms and certain terms of a series of Notes to be known as the Issuers’ 4.000% Senior Notes due 2030 and adding certain provisions thereto for the benefit of the Holders of the Notes of such series;

WHEREAS, the Issuers have furnished the Trustee with a duly authorized and executed Issuers Order dated the date hereof authorizing the execution of this Ninth Supplemental Indenture and the issuance of the Notes established hereby; and

WHEREAS, all things necessary to make this Ninth Supplemental Indenture a valid, binding and enforceable agreement of the Issuers, the Parent Guarantor and the Trustee and a valid supplement to the Base Indenture have been done;

NOW, THEREFORE, the Issuers, the Parent Guarantor and the Trustee agree as follows for the benefit of each other and for the equal and ratable benefit of the Holders of the Notes established hereby:

ARTICLE I.  
DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.01 *Definitions.*

The Base Indenture as amended and supplemented by this Ninth Supplemental Indenture is collectively referred to as the “*Indenture*.” All capitalized terms which are used herein and not otherwise defined herein are defined in the Base Indenture and are used herein with the same meanings as in the Base Indenture. If a capitalized term is defined both in the Base Indenture and this Ninth Supplemental Indenture, the definition in this Ninth Supplemental Indenture shall apply to the Notes established hereby (and any Guarantee in respect thereof).

“*2013 Offering Memorandum*” means the offering memorandum of the Issuers, dated October 23, 2013.

---

“*Capitalized Value*” means, with respect to the Master Lease Properties or any other group of related properties or any other property, the Property EBITDA of the Master Lease Properties or such other group of related properties or such property, as the case may be, for the most recent four completed fiscal quarters divided by 8.25%.

“*Change of Control*” means the occurrence of any of the following:

(1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Parent Guarantor, the Operating Partnership and their Subsidiaries taken as a whole to any “person” (as that term is used in Section 13(d) of the Exchange Act); *provided, however*, that for the avoidance of doubt, the lease of all or substantially all of the real estate assets of the Parent Guarantor or any Issuer or any of their respective subsidiaries, to PNGI or its Subsidiaries or to another operator pursuant to the Master Lease or another real estate lease or leases shall not constitute a Change of Control;

(2) the adoption by shareholders or partners of a plan relating to the liquidation or dissolution of the Parent Guarantor or the Operating Partnership;

(3) the consummation of any transaction (including any merger or consolidation) the result of which is that any “person” (as defined above), other than any holding company which owns 100% of the Voting Stock of the Parent Guarantor (so long as no Change of Control would otherwise have occurred in respect of the Voting Stock of such holding company), becomes the Beneficial Owner, directly or indirectly, of more than 50% of the Voting Stock of the Parent Guarantor, measured by voting power rather than number of shares;

(4) (i) the Parent Guarantor ceases to own, directly or indirectly, more than 50% of the Voting Stock of the Operating Partnership or (ii) the sole general partner of the Operating Partnership ceases to be the Parent Guarantor or one or more of the Parent Guarantor’s wholly owned subsidiaries; or

(5) the first day on which a majority of the members of the Board of Directors of the Parent Guarantor are not Continuing Directors.

For purposes of this definition, (1) no Change of Control shall be deemed to have occurred solely as a result of a transfer of assets among the Parent Guarantor, any Issuer and any of their respective Subsidiaries and (2) a Person shall not be deemed to have beneficial ownership of securities subject to a stock purchase agreement, merger agreement or similar agreement until the consummation of the transactions contemplated by such agreement.

“*Comparable Treasury Issue*” means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the Notes being redeemed calculated as if the maturity date of such Notes were the Par Call Date (the “*Remaining Life*”) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life of such Notes.

---

“*Consolidated EBITDA*” means, for the applicable test period, the net income (or net loss) of the Issuers and their Subsidiaries for such period, determined on a consolidated basis in accordance with GAAP, except to the extent that GAAP is not applicable, including, without limitation, with respect to the determination of all extraordinary, non-cash and non-recurring items ((x) excluding, without duplication, gains (or losses) from dispositions of depreciable real estate investments, property valuation losses and impairment charges and (y) before giving effect to cash dividends on preferred units of the Issuers or charges resulting from the redemption of preferred units of the Issuers attributable to the Issuers and their Subsidiaries for such period determined on a consolidated basis in conformity with GAAP);

(1) *plus*, without duplication and solely to the extent already deducted (and not added back) in arriving at such net income (or net loss), the sum of the following amounts for such period:

(a) interest expense (whether paid or accrued and whether or not capitalized);

(b) income tax expense;

(c) depreciation expense;

(d) amortization expense;

(e) extraordinary, non-recurring and unusual items, charges or expenses (including, without limitation, impairment charges, fees, costs and expenses relating to the Transactions, prepayment penalties and costs, fees or expenses incurred in connection with any capital markets offering, debt financing, or amendment thereto, redemption or exchange of indebtedness, lease termination, business combination, acquisition, disposition, recapitalization or similar transaction (regardless of whether such transaction is completed));

(f) expenses and losses associated with hedging agreements;

(g) expenses and losses resulting from fluctuations in foreign exchange rates;

(h) other non-cash items, charges or expenses reducing net income (or increasing net loss) (other than items that will require cash payments and for which an accrual or reserve is, or is required by GAAP to be, made in which case, at the election of the Issuers such items may be added back when accrued and deducted from net income when paid in cash, or given effect (and not added back to net income) when accrued or reserved);

(i) the amount of integration costs deducted (and not added back) in such period in computing the net income (or net loss);

(j) severance, relocation costs, signing costs, retention or completion bonuses, transition costs, curtailments or modifications to pension and post-retirement employee benefit plans (including any settlement of pension liabilities); and

---

(k) to the extent not included in net income or, if otherwise excluded from Consolidated EBITDA due to the operation of clause (2) (a) below, the amount of insurance proceeds received during such period, or after such period and on or prior to the date the calculation is made with respect to such period, attributable to any property which has been closed or had operations curtailed for such period; *provided* that such amount of insurance proceeds shall only be included pursuant to this clause (k) to the extent of the amount of insurance proceeds plus Consolidated EBITDA attributable to such property for such period (without giving effect to this clause (k)) does not exceed Consolidated EBITDA attributable to such property during the most recent four consecutive fiscal quarter period that such property was fully operational (or if such property has not been fully operational for the most recent such period prior to such closure or curtailment, the Consolidated EBITDA attributable to such property during the consecutive fiscal quarter period prior to such closure or curtailment (for which financial results are available) annualized over four fiscal quarters);

(2) *minus*, without duplication and solely to the extent included in arriving at such net income (or net loss), the sum of the following amounts for such period:

- (a) extraordinary, non-recurring and unusual gains (other than insurance proceeds);
- (b) gains attributable to hedging agreements;
- (c) non-cash gains resulting from fluctuations in foreign exchange rates; and
- (d) other non-cash gains increasing net income (or decreasing net loss) other than accruals in the ordinary course.

For purposes of this definition, net income (net loss) shall only include the Issuers' Ownership Share of net income (net loss) of their non-wholly owned Subsidiaries and Unconsolidated Affiliates and, accordingly, there shall be no deduction from net income or Consolidated EBITDA for non-controlling or minority interests in such Persons.

Consolidated EBITDA will be adjusted, without duplication, to give pro forma effect: (x) in the case of any assets having been placed-in-service or removed from service since the beginning of the period and on or prior to the date of determination, to include or exclude, as the case may be, any Consolidated EBITDA earned or eliminated as a result of the placement of such assets in service or removal of such assets from service as if the placement of such assets in service or removal of such assets from service occurred at the beginning of the period; and (y) in the case of any acquisition or disposition of any asset or group of assets since the beginning of the period and on or prior to the date of determination, including, without limitation, by merger, or stock or asset purchase or sale, to include or exclude, as the case may be, any Consolidated EBITDA earned or eliminated as a result of the acquisition or disposition of those assets as if the acquisition or

---

disposition occurred at the beginning of the period. For purposes of calculating Consolidated EBITDA, all amounts shall be as reasonably determined by an Issuer, and in accordance with GAAP except to the extent that GAAP is not applicable, including, without limitation, with respect to the determination of extraordinary, non-cash or non-recurring items.

The aggregate principal amount of Notes of this series which shall be authenticated and delivered on the Series Issue Date under the Indenture shall be \$700,000,000; *provided, however,* that subject to the Issuers’ compliance with Section 4.07 of the Base Indenture, the Issuers from time to time, without giving notice to or seeking the consent of the Holders of Notes of this series, may issue additional Notes (the “*Additional Notes*”) in any amount having the same terms as the Notes of this series in all respects, except for the issue date, the issue price and the initial Interest Payment Date. Any such Additional Notes shall be authenticated by the Trustee upon receipt of an Issuers Order and an Officer’s Certificate and Opinion of Counsel to that effect, and when so authenticated, will constitute “Notes” for all purposes of the Indenture and will (together with all other Notes of this series issued under the Indenture) constitute a single series of Notes under the Indenture.

(a) The Notes of this series issued on the Series Issue Date will be issued at an issue price of 99.751% of the principal amount thereof.

(b) The principal amount of the Notes of this series is due and payable in full on January 15, 2030, unless earlier redeemed or repurchased.

---

(c) The Notes of this series shall bear interest (computed on the basis of a 360-day year comprised of twelve 30-day months) at the rate of 4.000% per annum from the Series Issue Date until maturity; and interest will be payable semi-annually in arrears on January 15 and July 15 of each year (each, an “*Interest Payment Date*”), commencing January 15, 2020, to the Persons in whose name such Notes of this series were registered at the close of business on the preceding January 1 or July 1, respectively.

The Notes of this series shall be issued in registered form and shall be transferable only upon the presentation or surrender of a Note of this series for registration of transfer and in compliance with Article II of the Base Indenture.

When Notes of this series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Notes of this series of other denominations, the Registrar will register the transfer or make the exchange as requested if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Issuers shall execute and the Trustee shall authenticate Notes of this series at the Registrar’s request. A Holder of Notes of this series may transfer or exchange Notes of this series only in accordance with the Indenture. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith.

---

Prior to due presentment of any Note of this series for registration of transfer, the Issuers, the Trustee, any agent of the Issuers or the Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Note of this series is registered as the absolute owner of such Note for all purposes, including for the purpose of receiving payment of principal of, and any premium and any interest, if any, on such Note, whether or not such Note be overdue, and none of the Issuers, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any holder of a beneficial interest in a Global Note of this series shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (a) the holder of such Global Note (or its agent) or (b) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes of this series issued upon any transfer or exchange pursuant to the terms of the Indenture shall evidence the same debt and shall be entitled to the same benefits under the Indenture as such Notes surrendered upon such transfer or exchange.

**4.000% Senior Notes due 2030**

This Note is one of a duly authorized series of notes (the “Notes”) of the Issuers designated as its 4.000% Notes due 2030 (the “Notes”). The Notes are all issued or to be issued under and pursuant to an Indenture, dated as of October 30, 2013, as supplemented by the First Supplemental Indenture, dated as of March 28, 2016, and the Ninth Supplemental Indenture, dated as of August 29, 2019 (the “Indenture”), duly executed and delivered by and among GLP Capital, L.P., a Pennsylvania limited partnership (the “Operating Partnership”), GLP Financing II, Inc., a Delaware corporation (together with the Operating Partnership, the “Issuers”), Gaming and Leisure Properties, Inc., as Parent Guarantor, and Wells Fargo Bank, National Association, as Trustee, to which the Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Issuers, the Parent Guarantor, the Trustee and the Holders of the Notes and the terms upon which the Notes are to be authenticated and delivered. The terms of individual series of Notes may vary with respect to interest rate or interest rate formulas, issue dates, maturity, redemption, repayment, currency of payment and otherwise. Capitalized terms used herein shall have the meanings assigned to them in the Indenture unless otherwise indicated.

1. Interest. The Issuers promise to pay interest on the principal amount of this Note at 4.000% per annum until maturity. The Issuers shall pay interest semi-annually in arrears on January 15 and July 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “Interest Payment Date”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided*, further, that the first Interest Payment Date shall be January 15, 2020. The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Issuers will pay interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the close of business on January 1 and July 1 preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within the City and State of New York, or, at the option of the Issuers, payment of interest and any Liquidated Damages may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and provided that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and

---

any Liquidated Damages on, all Global Notes and all other Notes the Holders of which hold at least \$1,000,000 in principal amount of the Notes and shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Issuers or any of their Subsidiaries may act in any such capacity.

4. Indenture. The Issuers issued the Notes under the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. Optional Redemption. The Issuers may redeem all or part of the Notes at any time at their option at a redemption price equal to the greater of: (1) 100% of the principal amount of the Notes to be redeemed, and (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon that would be due if such Notes matured 90 days prior to their maturity date (the "Par Call Date") but for the redemption thereof (exclusive of interest accrued to, but not including, the date of redemption) discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 40 basis points, in each case, plus accrued and unpaid interest on the amount being redeemed to, but not including, the date of redemption; *provided, however*, that if the Issuers redeem the Notes on or after the Par Call Date, the redemption price will equal 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the amount being redeemed to, but not including, the date of redemption; *provided, further*, that installments of interest that are due and payable on any interest payment dates falling on or prior to a redemption date shall be payable on such interest payment dates to the persons who were registered Holders of the Notes at the close of business on the applicable record dates.

In addition to the foregoing, if any Gaming Authority requires that a Holder or Beneficial Owner of Notes must be licensed, qualified or found suitable under any applicable Gaming Laws and such Holder or Beneficial Owner (i) fails to apply for a license, qualification or a finding of suitability within 30 days (or such shorter period as may be required by the applicable Gaming Authority) after being requested to do so by the Gaming Authority, or (ii) is denied such license or qualification or not found suitable, or if any Gaming Authority otherwise requires that Notes from any Holder or Beneficial Owner be redeemed, subject to applicable Gaming Laws, the Issuers shall have the right, subject to applicable Gaming Laws, at their option (i) to require any such Holder or Beneficial Owner to dispose of its Notes within 30 days (or such earlier date as may be required by the applicable Gaming Authority) of receipt of such notice or finding by such Gaming Authority, or (ii) to call for the redemption of the Notes of such Holder or Beneficial Owner at a redemption price equal to the least of (A) the principal amount thereof, together with accrued interest to the earlier of the date of redemption or the date of the denial of license or qualification or

---

of the finding of unsuitability by such Gaming Authority, (B) the price at which such Holder or Beneficial Owner acquired the Notes, together with accrued interest to the earlier of the date of redemption or the date of the denial of license or qualification or of the finding of unsuitability by such Gaming Authority, or (C) such other lesser amount as may be required by any Gaming Authority.

6. Mandatory Redemption. The Issuers shall not be required to make mandatory redemption payments with respect to the Notes.

7. [Reserved].

8. Repurchase at Option of Holder upon Change of Control Triggering Event. If a Change of Control Triggering Event occurs with respect to the Notes, each Holder of such Notes shall have the right to require the Issuers to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture, except to the extent the Issuers have previously redeemed such Notes as described under Section 3.07 of the Indenture. In the Change of Control Offer, the Issuers shall offer the Change of Control Payment. Subject to the Indenture, within 30 days following the occurrence of a Change of Control Triggering Event, the Issuers shall mail a notice to each Holder of Notes describing the transaction or transactions that constitute, or are expected to constitute, the Change of Control Triggering Event, and offering to repurchase Notes on the Change of Control Payment Date as specified in the notice required by the Indenture.

9. Notice of Redemption. Except as otherwise provided in the Indenture, including as provided in Section 3.03(a) of the Indenture, notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. On and after the redemption date interest ceases to accrue on Notes or portions thereof called for redemption.

10. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before the mailing of a notice of redemption or during the period between a record date and the corresponding Interest Payment Date.

11. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

---

12. Amendment, Supplement and Waiver. Subject to Sections 6.04 and 6.07 of the Indenture, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of the Indenture or the Notes. However, without the consent of each Holder affected, an amendment or waiver under Section 9.02 of the Indenture may not: (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver; (ii) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (other than provisions relating to the covenants described under Section 4.11 of the Indenture); (iii) reduce the rate of or change the time for payment of interest on any Note; (iv) waive a Default or Event of Default in the payment of principal of, or interest or premium on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration); (v) make any Note payable in money other than that stated in the Notes; (vi) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium on the Notes; (vii) waive a redemption payment with respect to any Note (other than a payment required by the covenants described under Section 4.11 of the Indenture); or (viii) make any change in Section 6.04 or 6.07 of the Indenture or in the foregoing amendment and waiver provisions.

Notwithstanding Section 9.02 of the Indenture, the Issuers and the Trustee may amend or supplement the Indenture or this Note without the consent of any Holder of a Note: (i) to cure any ambiguity, defect, mistake or inconsistency; (ii) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of Article II of the Indenture (including the related definitions) in a manner that does not materially adversely affect any Holder; (iii) to provide for the assumption of the Issuers' obligations to the Holders of the Notes by a successor to the Issuers pursuant to Article V of the Indenture; (iv) to comply with the rules of any applicable securities depository; to comply with applicable Gaming Laws, to the extent that such amendment or supplement is not materially adverse to the Holders of Notes; (v) to provide for the issuance of additional Notes of any series in accordance with the limitations set forth in the Indenture; (vi) to make any change that would provide any additional rights or benefits to the Holders of Notes (including to provide for any Guarantees of the Notes or any collateral securing the Notes or any Guarantees of the Notes) or that does not materially adversely affect the legal rights under the Indenture of any such Holder of the Note; (vii) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA; or (viii) to conform the text of the Indenture or the Notes to any provision of the "Description of the Notes" section contained in the 2013 Offering Memorandum or the Prospectus Supplement filed in connection with the Notes as set forth in an Officer's Certificate.

13. Defaults and Remedies. The following are "Events of Default" under the Indenture with respect to Notes of a particular series: (i) the Issuers default in the payment when due of interest on the Notes of such series and such default continues for a period of 30 days; (ii) the Issuers default in the payment when due of the principal of or premium, if any, on the Notes of such series when the same becomes due and payable at maturity, upon redemption (including in connection with an offer to purchase) or otherwise; (iii) subject to the last paragraph of Section 6.01 of the Indenture, the Issuers or any of their Subsidiaries fail to observe or perform any other covenant, representation, warranty or other agreement (other than a covenant or agreement included in the Indenture for the benefit of one or more series of Notes other than such series of

---

Notes) in the Indenture or the Notes of such series for 60 days after the Issuers' receipt of notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding that have such covenant, representation, warranty or other agreement; (iv) a default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any of the Issuers' recourse Indebtedness (or the payment of which the Issuers guarantee), whether such Indebtedness or guarantee now exists, or is created after the date of the Indenture, if that default: (x) is caused by a Payment Default; or (y) results in the acceleration of such Indebtedness prior to its express maturity (which acceleration has not been rescinded, annulled or cured within 20 Business Days after receipt by the Issuers of notice from the Trustee or Holders of at least 25% in principal amount of the Notes then outstanding specifying such default), and, in each case, the due and payable principal amount of any such Indebtedness, together with the due and payable principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$100.0 million or more; (v) certain events of bankruptcy or insolvency with respect to the Issuers or any of their Subsidiaries that is a Significant Subsidiary or any group of Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary, and (vi) under certain circumstances the termination or ceasing of effectiveness of the Master Lease. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable.

Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Issuers, all outstanding Notes shall become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, interest or Liquidated Damages) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or Liquidated Damages on, or the principal of, the Notes; provided, however, that the Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all the Holders rescind an acceleration and its consequences. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

14. Trustee Dealings with Issuers. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

15. No Recourse Against Others. No director, officer, employee, incorporator or direct or indirect partner, member or stockholder, past, present or future, of the Issuers, the Parent Guarantor, any other Guarantor or any successor entity, as such, shall have any liability for any obligations of the Issuers or the Guarantors under the Indenture, the Notes or the Note Guarantees

or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

16. Authentication. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

17. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

18. CUSIP Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:
