Peter Carlino, Chairman and Chief Executive Officer of GLPI, commented, "Our strong tenant relationships with the industry's top regional gaming operators and the general resiliency of gaming revenue drove another period of record quarterly results. On an operating basis, second quarter total revenue rose 9.2% to \$356.6 million compared to the second quarter in 2022. Our second quarter financial growth reflects GLPI's long-term expansion and diversification as a landlord with six tenants with 59 properties across 18 states, including eight new properties added in 2022 and in early 2023 with The Cordish Companies and Bally's Corporation, which are expected to benefit results in the second half of 2023 and beyond. Our opportunistic approach to portfolio expansion and concurrent focus on strong capital returns and yields for our shareholders is highlighted by our second quarter 2023 dividend of \$0.72 per share, up from \$0.705 per share in the year-ago period.

"Our pipeline of opportunities with both prospective and current tenants is robust and we believe there are near- and longer-term cases for GLPI to further support tenants with innovative financing, capital and development structures in an

accretive, prudent manner. This operating strategy has driven stable, visible growth of our rental cash flows and AFFO, for ten years, enabling GLPI to consistently increase capital returns to shareholders through increased quarterly and special cash dividends.

"A highlight of the quarter -- which clearly highlights GLPI's unique growth positioning with current tenants, was our entry into a letter of intent in May with Bally's and Major League Baseball's Oakland Athletics, or the A's, to develop an integrated casino within a new 30,000-seat Las Vegas stadium for the team at our 35-acre Tropicana site. GLPI intends to commit to up to \$175 million of funding for construction costs and may have the opportunity to provide additional construction financing under certain circumstances. In June, the Nevada legislature approved public funding for the A's Las Vegas stadium paving the way for the stadium project at the site and the ultimate re-development of the Tropicana Las Vegas. The letter of intent provides that the transaction will be subject to customary approvals and other conditions, including a requisite relocation approval from Major League Baseball on or before December 1, 2023.

"We expect to deliver continued record results over the balance of 2023 reflecting our recent portfolio expansions, recently completed transactions and contractual rent escalators. Our disciplined capital investment approach, combined with our focus on stable and resilient regional gaming markets, supports our confidence that the Company is well positioned to further grow our cash dividend and drive long-term shareholder value."

Recent Developments

- On May 13, 2023, the Company, Tropicana Las Vegas, Inc., a Nevada corporation and wholly owned subsidiary of Bally's Corporation (NYSE: BALY) ("Bally's"), and Athletics Holdings LLC ("Athletics"), which owns the Major League Baseball ("MLB") team currently known as the Oakland Athletics (the "Team"), entered into a binding letter of intent (the "LOI") setting forth the terms for developing a stadium that would serve as the home venue for the Team (the "Stadium"). The Stadium is expected to complement the potential resort redevelopment envisioned at our 35-acre property in Clark County, Nevada (the "Tropicana Site"), owned indirectly by GLPI through its indirect subsidiary Tropicana Land LLC, a Nevada limited liability company, and leased by GLPI to Bally's pursuant to that certain Ground Lease dated as of September 26, 2022 (the "Original Ground Lease"). The LOI allows for Athletics to be granted fee ownership by GLPI of approximately 9 acres of the Tropicana Site for construction of the Stadium. The LOI provides that following the Stadium site transfer, there will be no reduction in the rent obligations of Bally's on the remaining portion of the Tropicana Site or other modifications to the Original Ground Lease, and that to the extent GLPI has any consent or approval rights under the Original Ground Lease, such rights shall remain enforceable unless expressly modified in writing in the definitive documents. Bally's and GLPI are agreeing to provide the Stadium site transfer in exchange for the benefits that the Stadium is expected to bring to the Tropicana Site. The LOI provides that the Athletics shall pay all the costs associated with the design, development, and construction of the Stadium and Bally's shall pay all costs for the redevelopment of the casino and hotel resort amenities. GLPI is expected to commit to up to \$175 million of funding for hard construction costs, such as demolition and site preparation and build out of minimum public spaces needed for utilization of the Stadium (including, without limitation, a food, beverage and retail entrance plaza and structured parking). The LOI provides that during the development period, rent will be due at 8.5% of what has been funded, provided that the first \$15.0 million advanced for the costs of construction of the food, beverage and retail entrance plaza shall not be subject to increased rent. GLPI may have the opportunity to fund additional amounts of the construction under certain circumstances. In addition, the LOI provides that the transaction will be subject to customary approvals and other conditions, including, without limitation, the approval of the MLB owners to relocate the Team on or before December 1, 2023, and certain approvals by the Nevada Gaming Control Board and Nevada Gaming Commission.
- On January 13, 2023, the Company called for redemption of all of its \$500 million, 5.375% Senior Notes (the "Notes") due in 2023. GLPI redeemed all of the Notes on February 12, 2023 (the "Redemption Date") for \$507.5 million which represented 100% of the principal amount of the Notes plus accrued interest through the Redemption Date. GLPI funded the redemption of the Notes primarily from cash on hand as well as through the settlement of the Company's forward sale agreement which resulted in net proceeds of \$64.6 million through the issuance of 1,284,556 shares.
- On January 3, 2023, the Company completed its previously announced acquisition from Bally's of the real property assets of Bally's Tiverton and Hard Rock Hotel & Casino Biloxi for total consideration of \$635 million, inclusive of approximately \$15 million in the form of OP units. These properties were added to the Company's existing Master Lease with Bally's. The initial rent for the lease was increased by \$48.5 million on an annualized basis, subject to contractual escalations based on the Consumer Price Index ("CPI"), with a 1% floor and a 2% ceiling, subject to CPI meeting a 0.5% threshold.

In connection with the closing, a \$200 million deposit funded by GLPI in September 2022 was returned to the Company along with a \$9.0 million transaction fee that was accounted for as a reduction of the purchase price of the assets acquired with no earnings impact. Concurrent with the closing, GLPI borrowed \$600 million under its previously structured delayed draw term loan.

GLPI continues to have the option, subject to receipt by Bally's of required consents to acquire the real property assets of Bally's Twin River Lincoln Casino Resort in Lincoln, RI prior to December 31, 2026, for a purchase price of \$771 million which, if consummated, would result in additional initial rent of \$58.8 million.

Effective January 1, 2023, the Company completed the creation of a new master lease (the "PENN 2023 Master Lease") with PENN Entertainment, Inc. (NASDAQ: PENN) ("PENN") for seven of PENN's current properties. The Company and PENN also agreed to a funding mechanism to support PENN's relocation and development opportunities at several properties included in the PENN 2023 Master Lease.

The original PENN Master Lease was amended (the "Amended PENN Master Lease") to remove PENN's properties in Aurora and Joliet, Illinois, Columbus and Toledo, Ohio, and Henderson, Nevada. Those properties were added to the PENN 2023 Master Lease. In addition, the existing leases for the Hollywood Casino at The Meadows in Pennsylvania and Hollywood Casino Perryville in Maryland were terminated and these properties were transferred to the PENN 2023 Master Lease. GLPI agreed to fund up to \$225 million for the relocation of PENN's riverboat casino in Aurora at a 7.75% cap rate. GLPI also agreed to fund, at PENN's election, up to an additional \$350 million for the relocation of Hollywood Casino Joliet as well as the construction of a hotel at Hollywood Casino Columbus and a second hotel tower at the M Resort Spa Casino in Henderson, Nevada, at the then current market rates.

The terms of the PENN 2023 Master Lease and the Amended PENN Master Lease are substantially similar to the original PENN Master Lease with the following key differences;

- The PENN 2023 Master Lease is cross-defaulted and co-terminus with the Amended PENN Master Lease;
- The annual rent for the PENN 2023 Master Lease is \$232.2 million in base rent which is fixed with annual escalation of 1.50%, with the first escalation occurring for the lease year beginning on November 1, 2023; and,
- The annual rent for the Amended PENN Master Lease is \$284.1 million, consisting of \$208.2 million of building base rent, \$43.0 million of land base rent, and \$32.9 million of percentage rent.

Dividends

On June 1, 2023, the Company's Board of Directors declared the second quarter dividend of \$0.72 per share on the Company's common stock. The dividend was paid on June 30, 2023 to shareholders of record on June 16, 2023. The second quarter 2022 dividend was \$0.705 per share on the Company's common stock.

2023 Guidance

Reflecting the current operating and competitive environment, the Company is updating its AFFO guidance for the full year 2023 based on the following assumptions and other factors:

- The guidance does not include the impact on operating results from any pending or possible future acquisitions or dispositions, future capital markets activity, or other future non-recurring transactions.
- The guidance assumes there will be no material changes in applicable legislation, regulatory environment, world events, including a new pandemic outbreak, weather, recent consumer trends, economic conditions, oil prices, competitive landscape or other circumstances beyond our control that may adversely affect the Company's results of operations.
- We anticipate that annual rent under the Casino Queen Master Lease will increase by approximately \$6.4 million upon the completion of the current landside development project that was funded by GLPI at a project cost of approximately \$78 million which is anticipated to open in late August 2023. This will increase rent in 2023 by approximately \$2.1 million.
- We anticipate that annual percentage rent will decline by approximately \$5.0 million to \$6.0 million and annual building base rent will increase by \$4.2 million on the Amended Penn Master Lease effective November 1, 2023, resulting in an overall reduction to the Company's 2023 rental income of between \$0.1 million and \$0.3 million.

The Company estimates AFFO for the year ending December 31, 2023 will be between \$994 million and \$999 million, or between \$3.66 and \$3.68 per diluted share and OP units. GLPI's prior guidance contemplated AFFO for the year ending December 31, 2023 of between \$984 million and \$997 million, or between \$3.63 and \$3.67 per diluted share and OP units.

The Company does not provide a reconciliation for non-GAAP estimates on a forward-looking basis, including the information above, where it is unable to provide a meaningful or accurate calculation or estimation of reconciling items and the information is not available without unreasonable effort. This is due to the inherent difficulty of forecasting the timing and/or amounts of various items that would impact net income, which is the most directly comparable forward-looking GAAP financial measure. This includes, for example, provision for credit losses, net, acquisition costs and other non-core items that have not yet occurred, are out of the Company's control and/or cannot be reasonably predicted. For the same reasons, the Company is unable to address the probable significance of the unavailable information. In particular, the Company is unable to predict with reasonable certainty the amount of the change in the provision for credit losses, net, under ASU No. 2016-13 - Financial Instruments - Credit Losses ("ASC 326") in future periods. The non-cash change in the provision for credit losses under ASC 326 with respect to future periods is dependent upon future events that are entirely outside of the Company's control and may not be reliably predicted, including the performance and future outlook of our tenant's operations for our leases that are accounted for as investment in leases, financing receivables, as well as broader macroeconomic factors and future predictions of such factors. As a result, forward-looking on-GAAP financial measures provided without the most directly comparable GAAP financial measures may vary materially from the corresponding GAAP financial measures.

Disclosure Regarding Non-GAAP Financial Measures

FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash Net Operating Income ("Cash NOI"), which are detailed in the reconciliation tables that accompany this release, are used by the Company as performance measures for benchmarking against the Company's peers and as internal measures of business operating performance, which is used for a bonus metric. These metrics are presented assuming full conversion of limited partnership units to common shares and therefore before the income statement impact of non-controlling interests. The Company believes FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI provide a meaningful perspective of the underlying operating performance of the Company's current business. This is especially true since these measures exclude real estate depreciation and we believe that real estate values fluctuate based on market conditions rather than depreciating in value ratably on a straight-line basis over time. Cash NOI is rental and other property income, less cash property level expenses. Cash NOI excludes depreciation, the amortization of land rights, real estate general and administrative expenses, other non-routine costs and the impact of certain generally accepted accounting principles ("GAAP") adjustments to rental revenue, such as straight-line rent adjustments and non-cash ground lease income and expense. It is management's view that Cash NOI is a performance measure used to evaluate the operating performance of the Company's real estate operations and provides investors relevant and useful information because it reflects only income and operating expense items that are incurred at the property level and presents them on an unleveraged basis.

FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI are non-GAAP financial measures that are considered supplemental measures for the real estate industry and a supplement to GAAP measures. NAREIT defines FFO as net income (computed in accordance with GAAP), excluding (gains) or losses from dispositions of property, net of tax and real estate depreciation. We have defined AFFO as FFO excluding, as applicable to the particular period, stock based compensation expense, the amortization of debt issuance costs, bond premiums and original issuance discounts, other depreciation, the amortization of land rights, accretion on investment in leases, financing receivables, non-cash adjustments to financing lease liabilities, impairment charges, straight-line rent adjustments, losses on debt extinguishment, and (benefit) provision for credit losses, net, reduced by capital maintenance expenditures. We have defined Adjusted EBITDA as net income excluding, as applicable to the particular period, of land rights, accretion on investment in leases, financing receivables, stock based compensation expense, straight-line rent adjustments, losses from dispositions of property, net of tax, stock based compensation expense, straight-line rent adjustments, the amortization of land rights, accretion on investment in leases, financing receivables, non-cash adjustments to financing lease liabilities, impairment charges, losses on debt extinguishment, and (benefit) provision for credit losses, net, stock based compensation expense, straight-line rent adjustments, the amortization of land rights, accretion on investment in leases, financing receivables, non-cash adjustments to financing lease liabilities, impairment charges, losses on debt extinguishment, and (benefit) provision for credit losses, net. Finally, we have defined Cash NOI as Adjusted EBITDA excluding general and administrative expenses and including, as applicable to the particular period, stock based

FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI are not recognized terms under GAAP. These non-GAAP financial measures: (i) do not represent cash flow from operations as defined by GAAP; (ii) should not be considered as an alternative to net income as a measure of operating performance or to cash flows from operating, investing and financing activities; and (iii) are not alternatives to cash flow as a measure of liquidity. In addition, these measures should not be viewed as an indication of our ability to fund all of our cash needs, including to make cash distributions to our shareholders, to fund capital improvements, or to make interest payments on our indebtedness. Investors are also cautioned that FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI, as presented, may not be comparable to similarly titled measures reported by other real estate companies, including REITs, due to the fact that not all real estate companies use the same definitions. Our presentation of these measures does not replace the presentation of our financial results in accordance with GAAP.
