October 28, 2021

WYOMISSING, Pa., Oct. 28, 2021 (GLOBE NEWSWIRE) -- Gaming and Leisure Properties, Inc. (NASDAQ: GLPI) ("GLPI" or the "Company") today announced financial results for the quarter ended September 30, 2021.

### Financial Highlights

(in millions, except per share data)	Three Months Ended September 30,	
	2021	2020
Total Revenue	\$ 298.7	\$ 307.6
Income from Operations	\$ 225.1	\$ 200.7
Net Income	\$ 149.1	\$ 127.1
FFO <sup>(1)</sup>	\$ 209.1	\$ 182.2
AFFO <sup>(2)</sup>	\$ 207.2	\$ 194.6
Adjusted EBITDA <sup>(3)</sup>	\$ 276.7	\$ 265.2
Net income, per diluted common share <sup>(4)</sup>	\$ 0.63	\$ 0.58
FFO, per diluted common share	\$ 0.89	\$ 0.83
AFFO, per diluted common share	\$ 0.88	\$ 0.89

(1) FFO is net income, excluding gains or losses from sales of property and real estate depreciation as defined by NAREIT.

(2) AFFO is FFO, excluding stock based compensation expense, the amortization of debt issuance costs, bond premiums and original issuance discounts, other depreciation, amortization of land rights, straight-line rent adjustments, gains on sales of operations, net of tax, and losses on debt extinguishment, reduced by capital maintenance expenditures.

(3) Adjusted EBITDA is net income, excluding interest, income tax expense, depreciation, gains or losses from sales of property and operations net of tax, stock based compensation expense, straight-line rent adjustments, amortization of land rights, and losses on debt extinguishment.

(4) Net income, per diluted common share for the three months ended September 30, 2021 benefited from the July 1, 2021 sale of the Hollywood Casino Perryville operations which resulted in an after-tax gain of \$11.3 million and third quarter rental income on the property partially offset by the prior year earnings at the facility. The net impact of these items was a benefit of \$0.04 per diluted share for the three months ended September 30, 2021.

Peter Carlino, Chairman and Chief Executive Officer of GLPI, commented, "The strong earnings growth GLPI achieved in the first half of 2021 continued with another period of consistent earnings in the third quarter. Our third quarter net income and AFFO exceeded the comparable period in 2020 by 17.3% and 6.4%, respectively, demonstrating our ability to consistently build value by working creatively and collaboratively with existing tenants through the pandemic, while establishing new relationships with leading regional gaming operators. During the quarter, we completed the sale of the operations of Hollywood Casino Perryville, resulting in proceeds of approximately \$31 million. We are delighted to further expand our relationship with Penn National Gaming through this transaction while enhancing GLPI's forward earnings visibility by divesting and converting a TRS operating asset into a property generating recurring rental income.

"GLPI's high quality tenant roster continues to highlight the strength and resiliency of regional gaming markets as our operators continue to enjoy strong consumer demand and elevated margins. These factors, combined with several additions to our portfolio over the past year, contributed to the strength of our third quarter AFFO along with the trigger of certain rent escalations. Furthermore, our four publicly traded tenants, which in aggregate account for 99% of our annual rent contributions, have significantly bolstered their balance sheets and enhanced their liquidity since the onset of the pandemic.

"Our record of consistent value creation also reflects our ongoing commitment to balance sheet strength which has positioned GLPI as an investment grade issuer. Looking forward, we believe GLPI is well positioned to deliver further growth as we pursue additional portfolio expansion and diversification while benefiting from the ongoing strength in regional gaming markets, with many of the operations at GLPI's properties continuing to generate record results. Taken together, these factors support our confidence that the Company is well positioned to extend its long-term record of shareholder value creation."

### Recent Developments

- As of October 28, 2021, all 50 of GLPI's properties are open to the public, (including Hollywood Casino Baton Rouge which is owned and operated by the Company's taxable REIT subsidiary and has been contracted for sale, as described below).

- On July 1, 2021, GLPI completed the previously announced sale of the operations of Hollywood Casino Perryville to Penn National Gaming, Inc. (NASDAQ: PENN) ("Penn") for \$31.1 million in cash. GLPI entered into a new triple net lease with Penn for an initial term of 20 years, with three 5-year renewal options, for the real estate assets associated with the property for an initial annual rent of \$7.77 million, \$5.83 million of which will be subject to annual escalation of 1.5% beginning in the second lease year through the fourth lease year and then increasing by 1.25% for each year of the remaining lease term to the extent CPI increases by at least 0.5% for the preceding lease year.
- On April 13, 2021, GLPI announced an expansion of its relationship with Bally's Corporation (NYSE: BALY) ("Bally's") to acquire the real estate assets of Bally's casino properties in Rock Island, Illinois and Black Hawk, Colorado, for total consideration of \$150 million. The parties expect to add the properties to the master lease created in connection with Bally's acquisition of Tropicana Evansville and Dover Downs Hotel & Casino (the "Bally's Master Lease") (described more fully below). These transactions are expected to generate incremental annualized rent of \$12.0 million, with a normalized rent coverage of 2.25x in the first calendar year post-acquisition. The transactions are expected to close in early 2022.
- Bally's also granted GLPI a right of first refusal to fund the real property acquisition or development project costs associated with all potential future transactions in Michigan, Maryland, Virginia and New York through one or more sale-leaseback or similar transactions for a term of seven years.
- Bally's agreed to acquire both GLPI's non-land real estate assets and Penn's outstanding equity interests in Tropicana Las Vegas Hotel and Casino, Inc. for an aggregate cash acquisition price of \$150 million. GLPI will retain ownership of the land and concurrently enter into a 50-year ground lease with Bally's for an initial annual rent of \$10.5 million. The ground lease will be supported by a Bally's corporate guarantee and cross-defaulted with the Bally's Master Lease. This transaction is expected to close in early 2022.
- On December 15, 2020, the Company announced an agreement to sell the operations of Hollywood Casino Baton Rouge ("HCBR") to Casino Queen for \$28.2 million. GLPI will continue to own the real estate and will enter into an amended master lease with Casino Queen, which will include both their current DraftKings at Casino Queen property in East St. Louis and the HCBR facility, for annual cash rent of \$21.4 million with a new initial term of 15 years and four 5-year extensions. This rental amount will be increased annually by 0.5% for the first six years. Beginning with the seventh lease year through the remainder of the lease term, if the Consumer Price Index ("CPI") increases by at least 0.25% for any lease year, then annual rent shall be increased by 1.25%, and if the CPI increase is less than 0.25%, then rent will remain unchanged for such lease year. GLPI will complete the previously announced landside development project at HCBR and the rent under the master lease will be adjusted upon completion to reflect a yield of 8.25% on GLPI's project costs. GLPI also secured a right of first refusal with Casino Queen for other sale leaseback transactions for up to an incremental \$50 million of rent over the next two years. Finally, upon the closing of the transaction, which is expected in the fourth quarter of 2021, subject to regulatory approvals and customary closing conditions, GLPI will receive a one-time cash payment of \$4 million in satisfaction of the outstanding loan to Casino Queen.
- In accordance with the rent deferral agreement that was signed in 2020 with Casino Queen, \$2.1 million of rent was deferred due to the property's temporary closure in the first quarter of 2021. Approximately \$0.9 million was collected during the third quarter of 2021 and it is anticipated that the remainder will be collected at the closing of the HCBR transaction.
- On October 27, 2020, the Company entered into a series of definitive agreements pursuant to which a subsidiary of Bally's acquired 100% of the equity interests in the Caesars Entertainment, Inc. (NASDAQ: CZR) ("Caesars") subsidiary that operated Tropicana Evansville and the Company reacquired the real property assets of Tropicana Evansville from Caesars for a cash purchase price of approximately \$340.0 million. The Company also entered into a real estate purchase agreement with Bally's pursuant to which it acquired the real estate assets of the Dover Downs Hotel & Casino, located in Dover, Delaware, which is currently operated by Bally's, for a cash purchase price of approximately \$144.0 million. These transactions closed on June 3, 2021 and the Tropicana Evansville and Dover Downs Hotel & Casino facilities were added to the new Bally's Master Lease. The Bally's Master Lease has an initial term of 15 years, with no purchase option, followed by four five-year renewal options (exercisable by Bally's) on the same terms and conditions. Rent under the Bally's Master Lease is \$40.0 million annually, subject to an annual escalator of up to 2% determined in relation to the annual increase in the CPI.
- The Company's leases contain variable rent that are reset on varying schedules depending on the specific lease. In the aggregate, the portion of cash rents that are variable represented approximately 15% of GLPI's 2020 full year cash rental income. Of that 15% variable rent, approximately 29% resets every five years which is associated with the Penn Master Lease and the Casino Queen lease, 41% resets every two years and 30% resets monthly which is associated with the

Penn Master Lease (of which approximately 51% is subject to a floor or \$22.9 million annually for Hollywood Casino Toledo). The Company does not have any variable rent resets until 2022.

- During the three months ended September 30, 2021, the Company raised \$182.8 million through the issuance of shares of common stock under its ATM program for average net proceeds of \$49.75 per share.

GLPI's primary business consists of acquiring, financing, and owning real estate property to be leased to gaming operators in triple-net lease arrangements. ### **Disclosure Regarding Non-GAAP Financial Measures**

FFO, FFO per diluted common share, AFFO, AFFO per diluted common share, Adjusted EBITDA and REIT Cash NOI, which are detailed in the reconciliation tables that accompany this release, are used by the Company as performance measures for benchmarking against the Company's peers and as internal measures of business operating performance, which is used for a bonus metric. The Company believes FFO, FFO per diluted common share, AFFO, AFFO per diluted common share, Adjusted EBITDA and REIT Cash NOI provide a meaningful perspective of the underlying operating performance of the Company's current business. This is especially true since these measures exclude real estate depreciation and we believe that real estate values fluctuate based on market conditions rather than depreciating in value ratably on a straight-line basis over time. REIT Cash NOI is rental and other property income, inclusive of rent credits recognized in connection with the Tropicana Las Vegas transaction, less cash property level expenses. REIT Cash NOI excludes depreciation, the amortization of land rights, real estate general and administrative expenses, other non-routine costs and the impact of certain generally accepted accounting principles ("GAAP") adjustments to rental revenue, such as straight-line rent adjustments and non-cash ground lease income and expense. It is management's view that REIT Cash NOI is a performance measure used to evaluate the operating performance of the Company's real estate operations and provides investors relevant and useful information because it reflects only income and operating expense items that are incurred at the property level and presents them on an unleveraged basis.

FFO, FFO per diluted common share, AFFO, AFFO per diluted common share, Adjusted EBITDA and REIT Cash NOI are non-GAAP financial measures that are considered supplemental measures for the real estate industry and a supplement to GAAP measures. NAREIT defines FFO as net income (computed in accordance with GAAP), excluding gains or losses from sales of property and real estate depreciation. We have defined AFFO as FFO excluding stock based compensation expense, the amortization of debt issuance costs, bond premiums and original issuance discounts, other depreciation, the amortization of land rights, straight-line rent adjustments, gains on sale of operations, net of tax, and losses on debt extinguishment reduced by capital maintenance expenditures. We have defined Adjusted EBITDA as net income excluding interest, taxes on income, depreciation, gains or losses from sales of property and operations, net of tax, stock based compensation expense, straight-line rent adjustments, the amortization of land rights, and losses on debt extinguishment. For financial reporting and debt covenant purposes, the Company includes the amounts of non-cash rents earned in FFO, AFFO, and Adjusted EBITDA. Finally, we have defined REIT Cash NOI as Adjusted EBITDA for the REIT excluding real estate general and administrative expenses and including stock based compensation expense and (gains) or losses from sales of property.

FFO, FFO per diluted common share, AFFO, AFFO per diluted common share, Adjusted EBITDA and REIT Cash NOI are not recognized terms under GAAP. These non-GAAP financial measures: (i) do not represent cash flow from operations as defined by GAAP; (ii) should not be considered as an alternative to net income as a measure of operating performance or to cash flows from operating, investing and financing activities; and (iii) are not alternatives to cash flow as a measure of liquidity. In addition, these measures should not be viewed as an indication of our ability to fund all of our cash needs, including to make cash distributions to our shareholders, to fund capital improvements, or to make interest payments on our indebtedness. Investors are also cautioned that FFO, FFO per share, AFFO, AFFO per share, Adjusted EBITDA and REIT Cash NOI, as presented, may not be comparable to similarly titled measures reported by other real estate companies, including REITs, due to the fact that not all real estate companies use the same definitions. Our presentation of these measures does not replace the presentation of our financial results in accordance with GAAP.
