Item 8.01. Other Events.

On February 25, 2026, GLP Capital, L.P. (the “Operating Partnership”), a Pennsylvania limited partnership and the operating partnership of Gaming and Leisure Properties, Inc., a Pennsylvania corporation (the “Company”), and GLP Financing II, Inc., a Delaware corporation and wholly-owned subsidiary of the Operating Partnership (together with the Operating Partnership, the “Issuers”), as issuers, and the Company, as guarantor, entered into an underwriting agreement (the “Underwriting Agreement”) with Wells Fargo Securities, LLC, Truist Securities, Inc., Citizens JMP Securities, LLC and Fifth Third Securities, Inc., as representatives of the several underwriters named therein (collectively, the “Underwriters”), pursuant to which the Issuers agreed to issue and sell to the Underwriters \$800.0 million aggregate principal amount of the Issuers’ 5.625% Senior Notes due 2036 (the “Notes”). The Notes priced at 99.857% of par value, with a coupon of 5.625% and will mature on March 1, 2036. The Notes will be fully and unconditionally guaranteed on an unsecured basis by the Company.

The offering of the Notes is expected to close on or about March 4, 2026, subject to customary closing conditions, with net proceeds to the Issuers expected to be approximately \$791.1 million, after deducting underwriting discounts and commissions and estimated expenses payable by the Issuers. The Issuers intend to use the net proceeds from the offering to repay borrowings outstanding under the Operating Partnership’s term loan credit facility. The Issuers intend to use remaining proceeds for working capital and general corporate purposes, which may include acquisitions, funding development and expansion projects at existing and new properties, repayment of indebtedness, capital expenditures and other general business purposes.

The Underwriting Agreement contains customary representations, warranties and covenants by the Issuers and the Company. It also provides for customary indemnification by each of the Issuers and the Company for losses or damages arising out of, or in connection, with the sale of the Notes.

The offering and sale of the Notes were made pursuant to a preliminary prospectus supplement, free writing prospectus and final prospectus supplement under the Issuers’ and the Company’s effective registration statement on Form S-3 (File Nos. 333-286909, 333-286909-01 and 333-286909-02), each of which has been filed with the Securities and Exchange Commission (the “SEC”).

The foregoing is a summary description of certain terms of the Underwriting Agreement and is qualified in its entirety by the text of the Underwriting Agreement attached as Exhibit 1.1 to this Current Report on Form 8-K (the “Report”) and incorporated herein by reference.

This Report does not constitute an offer to sell, or a solicitation of an offer to buy, any securities of the Company or the Issuers, including, without limitation, the Notes proposed to be offered and sold pursuant to the preliminary prospectus supplement, free writing prospectus, final prospectus supplement and registration statement described above.

Forward-Looking Statements

This Report includes “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), including our expectations regarding our ability to complete the offering and apply the net proceeds as indicated. Forward-looking statements can be identified by the use of forward-looking terminology such as “believes,” “expects,” “anticipates,” “intends,” “projects,” “estimates,” “plans,” “may increase,” “may fluctuate,” and similar expressions or future or conditional verbs such as “will,” “should,” “would,” “may” and “could” or the negative or other variation of these or similar words, or by discussions of future events, strategies or risks and uncertainties. Such forward looking statements are inherently subject to risks, uncertainties and assumptions about the Company and its subsidiaries, including risks related to the following: (i) the Company’s ability to successfully consummate the offering and apply the net proceeds as indicated; (ii) the ability of the Company or its partners to successfully complete construction of various casino projects currently under development for which the Company has agreed to provide construction development funding, including the Bally’s Chicago Casino Resort, and the ability and willingness of the Company’s partners to meet and/or perform their respective obligations under the applicable construction financing and/or development documents; (iii) the impact that higher inflation and interest rates and uncertainty with respect to the future state of the economy could have on discretionary consumer spending, including the casino operations of the Company’s tenants; (iv) unforeseen consequences related to United States (“U.S.”) government economic, monetary

or trade policies and stimulus packages on inflation rates, interest rates and economic growth; (v) the ability of the Company's tenants to maintain the financial strength and liquidity necessary to satisfy their respective obligations and liabilities to third parties, including, without limitation, to satisfy obligations under their existing credit facilities and other indebtedness; (vi) the availability of and the ability to identify suitable and attractive acquisition and development opportunities and the ability to acquire and lease the respective properties on favorable terms; (vii) the degree and nature of the Company's competition; (viii) the ability to receive, or delays in obtaining, the regulatory approvals required to own its properties, or other delays or impediments to completing the Company's planned acquisitions or projects; (ix) the potential of a new pandemic or similar national health crisis, including its effect on the ability or desire of people to gather in large groups (including in casinos), which could impact the Company's financial results, operations, outlooks, plans, goals, growth, cash flows, liquidity, and stock price; (x) the Company's ability to maintain its status as a real estate investment trust ("REIT"), given the highly technical and complex Internal Revenue Code provisions for which only limited judicial and administrative authorities exist, where even a technical or inadvertent violation could jeopardize REIT qualification and where requirements may depend in part on the actions of third parties over which the Company has no control or only limited influence; (xi) the Company's ability to satisfy certain asset, income, organizational, distribution, shareholder ownership and other requirements on a continuing basis in order for the Company to maintain its REIT status; (xii) the ability and willingness of the Company's tenants and other third parties to meet and/or perform their obligations under their respective contractual arrangements with the Company, including lease and note requirements and in some cases, their obligations to indemnify, defend and hold the Company harmless from and against various claims, litigation and liabilities; (xiii) the ability of the Company's tenants to comply with laws, rules and regulations in the operation of the Company's properties, to deliver high quality services, to attract and retain qualified personnel and to attract customers; (xiv) the ability to generate sufficient cash flows to service and comply with financial covenants under the Company's outstanding indebtedness; (xv) the Company's ability to access capital through debt and equity markets in amounts and at rates and costs acceptable to the Company, including for the satisfaction of its funding commitments to the extent drawn by its partners, acquisitions or refinancings due to maturities; (xvi) with respect to tenant funding commitments, the amounts drawn and the timing of these draws may be different than what the Company assumed; (xvii) adverse changes in the Company's credit rating; (xviii) the availability of qualified personnel and the Company's ability to retain its key management personnel; (xix) changes in the U.S. tax law and other federal, state or local laws or regulations, whether or not specific to real estate, REITs or the gaming, lodging or hospitality industries; (xx) changes in accounting standards; (xxi) the impact of weather or climate events or conditions, natural disasters, acts of terrorism and other international hostilities, war (including the current conflict between Russia and Ukraine and conflicts in the Middle East) or political instability; (xxii) the risk that the historical financial statements do not reflect what the business, financial position or results of operations of the Company may be in the future; (xxiii) other risks inherent in the real estate business, including potential liability relating to environmental matters and illiquidity of real estate investments; and (xxiv) other factors described in the Company's Annual Report on Form 10-K for the year ended December 31, 2025, as may be supplemented by Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, each as filed with the SEC. The Company undertakes no obligation to publicly update or revise any forward-looking statements contained herein, whether as a result of new information, future events or otherwise, except as required by law. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this Report may not occur as presented or at all.

in Schedule 1 hereto

Ladies and Gentlemen:

GLP Capital, L.P., a Pennsylvania limited partnership (the “Operating Partnership”), and GLP Financing II, Inc., a Delaware corporation and a direct wholly owned subsidiary of the Operating Partnership (“Capital Corp.” and, together with the Operating Partnership, the “Companies”), propose to issue and sell to the several underwriters listed in Schedule 1 hereto (the “Underwriters”), for whom Wells Fargo Securities, LLC, Truist Securities, Inc., Citizens JMP Securities, LLC and Fifth Third Securities, Inc. are acting as representatives (collectively, the “Representatives”), \$800,000,000 principal amount of their 5.625% Senior Notes due 2036 (the “Notes”). The Notes will be guaranteed (the “Guarantee” and, together with the Notes, the “Securities”) by Gaming and Leisure Properties, Inc., a Pennsylvania corporation and the sole general partner of the Operating Partnership (the “Guarantor”), on a senior unsecured basis, and will be issued pursuant to an Indenture, dated as of October 30, 2013 (as amended by the First Supplemental Indenture, dated as of March 28, 2016, the “Base Indenture”), by and among the Companies, the Guarantor and Wells Fargo Bank, National Association, as trustee (the “Indenture Trustee”), as supplemented by the Seventeenth Supplemental Indenture relating to the Notes (the “Seventeenth Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), to be dated as of the Closing Date (as defined below).

The Companies and the Guarantor hereby confirm their agreement with the several Underwriters concerning the purchase and sale of the Securities, as follows:

1. Registration Statement.

(a) The Companies and the Guarantor have prepared and filed with the Securities and Exchange Commission (the “Commission”) an automatic shelf registration statement on Form S-3, File Nos. 333-286909, 333-286909-01 and 333-286909-02, including a base prospectus (the “Base Prospectus”) to be used in connection with the public offering and sale of certain securities, including the Securities. Such registration statement (the “Registration Statement”), as of any time, means such registration statement as amended by any post-effective amendments thereto to such time, including the financial statements, exhibits and schedules thereto at such time and the documents incorporated or deemed to be incorporated by reference therein pursuant to Rule 430A or 430B under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the “Securities Act”). The preliminary prospectus supplement dated February 25, 2026 describing the Securities and the offering thereof (the “Preliminary Prospectus Supplement”), together with the Base Prospectus, is called the “Preliminary Prospectus”, and the Preliminary Prospectus and any other prospectus supplement to the Base Prospectus in preliminary form that describes the Securities and the offering thereof and is used prior to the filing of the Prospectus (as defined below), together with the Base Prospectus, is called a “preliminary prospectus”. As used herein, the term “Prospectus” shall mean the final prospectus supplement to the Base Prospectus that describes the Securities and the offering thereof (the “Final Prospectus Supplement”), together with the Base Prospectus, in the form first used by the Underwriters to confirm sales of the Securities or in the form first made available to the Underwriters by the Companies to meet requests of purchasers pursuant to Rule 173 under the Securities Act. References in this underwriting agreement (this “Agreement”) to the Preliminary Prospectus, any preliminary prospectus and the Prospectus shall refer to both the prospectus supplement and the Base Prospectus components of such prospectus. References in this Agreement to the Registration Statement, the Preliminary Prospectus and the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act as of the effective date of the Registration Statement or the date of such Preliminary Prospectus or the Prospectus, as the case may be, and any reference to “amend”, “amendment” or “supplement” with respect to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after such date under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission thereunder (collectively, the “Exchange Act”) that are deemed to be incorporated by reference therein. Capitalized terms used but not defined herein shall have the meanings given to such terms in the Registration Statement and the Prospectus.

(b) The “Pricing Disclosure Package” shall mean, collectively: (i) the Preliminary Prospectus, as amended or supplemented prior to the Applicable Time (as defined below) and (ii) each “free writing prospectus” (as defined pursuant to Rule 405 under the Securities Act) listed on Annex A hereto.

(c) “Applicable Time” means 2:45 P.M., New York City time on February 25, 2026, the time when sales of Securities were first made.

2. Purchase of the Securities by the Underwriters.

(a) The Companies agree to issue and sell the Notes to the several Underwriters as provided in this Agreement, and each Underwriter, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase from the Companies the respective principal amount of Notes set forth opposite such Underwriter’s name in Schedule 1 hereto at a price equal to 99.207% of the principal amount thereof plus accrued interest, if any, from March 4, 2026 to the Closing Date.

(b) The Companies will not be obligated to deliver any of the Securities except upon payment for all of the Securities to be purchased as provided herein.

(c) The Representatives hereby advise the Companies and the Companies understand that the Underwriters intend to make a public offering of the Securities as soon after the effectiveness of this Agreement as in the judgment of the Representatives is advisable, and initially to offer the Securities on the terms set forth in the Pricing Disclosure Package.

(d) The Companies acknowledge and agree that the Underwriters may offer and sell Securities to or through any affiliate of an Underwriter and that any such affiliate may offer and sell Securities purchased by it to or through any Underwriter.

(e) Payment for and delivery of the Notes will be made at the offices of Paul Hastings LLP, 200 Park Avenue, New York, New York 10166 at 10:00 A.M., New York City time, on March 4, 2026, or at such other time or place on the same or such other date, not later than the fifth business day thereafter, as the Representatives and the Companies may agree upon in writing. The time and date of such payment and delivery is referred to herein as the "Closing Date".

(f) Payment for the Notes shall be made by wire transfer in immediately available funds to the account(s) specified by the Operating Partnership to the Representatives against delivery to the nominee of The Depository Trust Company ("DTC"), for the account of the Underwriters, of one or more global notes representing the Notes (collectively, the "Global Notes"), with any transfer taxes payable in connection with the sale of the Notes duly paid by the Companies. The Global Notes representing the Notes will be made available for inspection by the Representatives not later than 1:00 P.M., New York City time, on the business day prior to the Closing Date.

(g) The Companies and the Guarantor acknowledge and agree that each Underwriter is acting solely in the capacity of an arm's length contractual counterparty to the Companies and the Guarantor with respect to the offering of Securities contemplated hereby (including in connection with determining the terms of the offering) and not as a financial advisor or a fiduciary to, or an agent of, the Companies, the Guarantor or any other person. Additionally, neither the Representatives nor any other Underwriter is advising the Companies, the Guarantor or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Companies and the Guarantor shall consult with their own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and neither the Representatives nor any other Underwriter shall have any responsibility or liability to the Companies or the Guarantor with respect thereto. Any review by the Representatives or any Underwriter of the Companies, the Guarantor, and the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Representatives or such Underwriter, as the case may be, and shall not be on behalf of the Companies, the Guarantor or any other person.

(c) *Amendments or Supplements; Issuer Free Writing Prospectuses.* During the Prospectus Delivery Period, before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement or the Prospectus, whether before or after the time that the Registration Statement becomes effective the Guarantor will within a reasonable amount of time in advance of filing such report, furnish to the Representatives and counsel for the Underwriters a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus or file any such proposed amendment or supplement to which the Representatives reasonably object.

(d) *Notice to the Representatives.* The Guarantor will advise the Representatives promptly (i) when any amendment to the Registration Statement has been filed or becomes effective; (ii) when any supplement to the Prospectus or any amendment to the Prospectus or any Issuer Free Writing Prospectus has been filed; (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or the receipt of any comments from the Commission relating to the Registration Statement or any other request by the Commission for any additional information; (iv) of the issuance by the Commission of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, and of the Pricing Disclosure Package or the Prospectus or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act; (v) of the occurrence of any event or development within the Prospectus Delivery Period as a result of which the Prospectus, the Pricing Disclosure Package or any Issuer Free Writing Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus, the Pricing Disclosure Package or any such Issuer Free Writing Prospectus is delivered to a purchaser, not misleading, in the judgment of the Guarantor and its counsel; (vi) of the receipt by the Guarantor or the Companies of any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act; and (vii) of the receipt by the Guarantor or the Companies of any notice with respect to any suspension of the qualification of the Notes for offer and sale in any jurisdiction or, to the knowledge of the Companies and the Guarantor, the initiation or threatening of any proceeding for such purpose; and the Companies and the Guarantor will use their reasonable best efforts to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus, any of the Pricing Disclosure Package or the Prospectus or suspending any such qualification of the Notes and, if any such order is issued, will obtain as soon as possible the withdrawal thereof.

(e) *Pricing Disclosure Package.* If at any time prior to the Closing Date (i) any event shall occur or condition shall exist as a result of which any of the Pricing Disclosure Package as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or (ii) it is necessary to amend or supplement the Pricing Disclosure Package to comply with applicable law, in each case, (A) in the judgment of the Guarantor and its counsel, the Guarantor will promptly notify the Underwriters thereof, or (B) in the reasonable judgment of the Underwriters and their counsel, the Underwriters will promptly notify the Guarantor thereof and, in either case, the Guarantor and the Companies shall prepare and, subject to paragraph (c) above, file with the Commission (to the extent required) and furnish to the Underwriters and to such dealers as the Representatives may designate such amendments or supplements to the Pricing Disclosure Package (or any document to be filed with the Commission and incorporated by reference therein) as may be necessary so that the Pricing Disclosure Package as so amended or supplemented (including such documents incorporated by reference therein) will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or so that the Pricing Disclosure Package as so amended or supplemented will comply with applicable law.

(f) *Ongoing Compliance.* If during the Prospectus Delivery Period (i) any event or development shall occur or condition shall exist as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Prospectus to comply with law, the Guarantor will promptly notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission and furnish to the Underwriters and to such dealers as the Representatives may designate, such amendments or supplements to the Prospectus (or any document to be filed with the Commission and incorporated by reference therein) as may be necessary so that the statements in the Prospectus as so amended or supplemented, including such documents to be incorporated by reference, will not, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with law.

(g) *Blue Sky Compliance.* The Companies will cooperate with the Underwriters in arranging to qualify the Securities for offer and sale under the securities or blue sky laws of such jurisdictions as the Representatives shall reasonably request and will continue such qualifications in effect so long as required for the distribution of the Securities; provided that neither of the Companies nor the Guarantor shall be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction or take any action that would subject it to service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(h) *Earning Statement.* The Guarantor will make generally available to their security holders and the Representatives as soon as practicable an earning statement that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 of the Commission promulgated thereunder covering a period of at least twelve months beginning with the first fiscal quarter of the Guarantor occurring after the “effective date” (as defined in Rule 158) of the Registration Statement.

(i) *Clear Market*. During the period from the date hereof through and including the Closing Date, the Companies and the Guarantor will not, without the prior written consent of the Representatives, offer, sell, contract to sell or otherwise dispose of any debt securities issued or guaranteed by the Companies or the Guarantor and having a tenor of more than one year; provided that the foregoing shall not apply to the sale of the Notes under this Agreement.

(j) *Use of Proceeds*. The Companies will apply the net proceeds from the sale of the Notes as described in each of the Registration Statement, the Pricing Disclosure Package and the Prospectus under the heading “Use of Proceeds.”

(k) *DTC*. The Companies will assist the Underwriters in arranging for the Notes to be eligible for clearance and settlement through DTC.

(l) *No Stabilization*. Neither the Companies nor the Guarantor will take, directly or indirectly, any action designed to or that would reasonably be expected to cause or result in any stabilization or manipulation of the price of the Securities.

(m) *Record Retention*. The Companies will, pursuant to reasonable procedures developed in good faith, retain copies of each Issuer Free Writing Prospectus that is not filed with the Commission in accordance with Rule 433 under the Securities Act.

5. Certain Agreements of the Underwriters. Each Underwriter, severally and not jointly, hereby represents and agrees that it has not used, authorized use of, referred to or participated in the planning for use of, and will not use, authorize use of, refer to, or participate in the planning for use of, any “free writing prospectus”, as defined in Rule 405 under the Securities Act (which term includes use of any written information furnished to the Commission by the Guarantor or either of the Companies and not incorporated by reference into the Registration Statement and any press release issued by the Guarantor or either of the Companies) that is required to be filed with the Commission other than (i) a free writing prospectus that contains no “issuer information” (as defined in Rule 433(h)(2) under the Securities Act) that was not included (including through incorporation by reference) in the Preliminary Prospectus or a previously filed Issuer Free Writing Prospectus, (ii) any Issuer Free Writing Prospectus listed on Annex A or prepared pursuant to Section 3(c) or Section 4(c) above (including any electronic road show), or (iii) any free writing prospectus prepared by such Underwriter and approved by the Companies in advance in writing (each such free writing prospectus referred to in clauses (i) or (iii), an “Underwriter Free Writing Prospectus”).

6. Conditions of Underwriters’ Obligations. The obligation of each Underwriter to purchase Notes on the Closing Date as provided herein is subject to the performance by the Companies and the Guarantor of their respective covenants and other obligations hereunder and to the following additional conditions:

(a) *Registration Compliance; No Stop Order*. No order suspending the effectiveness of the Registration Statement shall be in effect, and no proceeding for such purpose, pursuant to Rule 401(g)(2) or pursuant to Section 8A under the Securities Act shall be pending before or, to the knowledge of the Companies and the Guarantor, threatened by the Commission; the Prospectus and each Issuer Free Writing Prospectus shall have been timely filed with the Commission under the Securities Act (in the case of an Issuer Free Writing Prospectus, to the extent required by Rule 433 under the Securities Act) and in accordance with Section 4(a) hereof; and all requests by the Commission for additional information shall have been complied with to the reasonable satisfaction of the Representatives.

(b) *Representations and Warranties.* The representations and warranties of the Companies and the Guarantor contained herein shall be true and correct on the date hereof and on and as of the Closing Date; and the statements of the Companies, the Guarantor and each of their respective officers made in any certificates delivered pursuant to this Agreement shall be true and correct on and as of the Closing Date.

(c) *No Downgrade.* Subsequent to the earlier of (A) the Applicable Time and (B) the execution and delivery of this Agreement if there are any debt securities or preferred stock issued or guaranteed by, the Guarantor, the Companies or any of their respective subsidiaries that are rated by a “nationally recognized statistical rating organization” as such term is defined under Section 3(a)(62) under the Exchange Act (i) no downgrading shall have occurred in the rating accorded the Notes or any such debt securities or preferred stock issued or guaranteed by the Companies, the Guarantor or any of their respective subsidiaries and (ii) no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Notes or of any such debt securities or preferred stock issued or guaranteed by the Companies, the Guarantor or any of their respective subsidiaries (other than an announcement with positive implications of a possible upgrading).

(d) *No Material Adverse Change.* No event or condition of a type described in Section 3(h) hereof shall have occurred or shall exist, which event or condition is not described in the Pricing Disclosure Package (excluding any amendment or supplement thereto) and the Prospectus (excluding any amendment or supplement thereto), and the effect of which in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated by this Agreement, the Pricing Disclosure Package and the Prospectus.

(e) *Officer’s Certificate.* The Representatives shall have received on and as of the Closing Date a certificate of the chief financial officer or chief accounting officer of the Guarantor (i) confirming that such officer has carefully reviewed the Registration Statement, the Pricing Disclosure Package and the Prospectus and, to the knowledge of such officer, the representations set forth in Sections 3(b) and 3(d) hereof are true and correct and (ii) confirming that, except for representations and warranties of the Companies and the Guarantor that speak as of a particular date (which representations and warranties are true and correct as of such date), the other representations and warranties of the Companies and the Guarantor in this Agreement are true and correct in all respects, as of the Closing Date and that the Companies and the Guarantor have complied with all agreements and satisfied all conditions on their part to be performed or satisfied hereunder at or prior to the Closing Date and (iii) to the effect set forth in paragraphs (a), (c) and (d) above.

(f) *Comfort Letters.* On the date of this Agreement and on the Closing Date, Deloitte shall have furnished to the Representatives, at the request of the Companies and the Guarantor, letters with respect to the Guarantor and its subsidiaries, dated the date of delivery thereof and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants’ “comfort letters” to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus; provided that the letter delivered on the Closing Date shall use a “cut-off” date no more than three business days prior to the Closing Date.

(g) *Opinion and Negative Assurance Letter of Counsel for the Companies.*

(i) Goodwin Procter LLP, counsel for the Companies and the Guarantor, shall have furnished to the Representatives, at the request of the Companies and the Guarantor, their written opinion and negative assurance letter, dated the Closing Date and addressed to the Representatives, in form and substance reasonably satisfactory to the Representatives. In rendering such opinion, Goodwin Procter LLP may rely upon representations and covenants of duly appointed officers of the Companies, the Guarantor and their respective subsidiaries (including, without limitation, any such representations, covenants or statements made in certificates provided by such officers to counsel) and may make such assumptions as are customary with commercial practices.

(ii) Goodwin Procter LLP, tax counsel for the Companies and the Guarantor, shall have furnished to the Representatives, at the request of the Companies and the Guarantor, a written tax opinion, dated the Closing Date, addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives. In rendering such opinion, Goodwin Procter LLP may rely upon representations and covenants of duly appointed officers of the Companies, the Guarantor and their respective subsidiaries (including, without limitation, any such representations, covenants or statements made in certificates provided by such officers to counsel) and may make such assumptions as are customary with commercial practices.

(iii) Polsinelli PC, Pennsylvania counsel for the Companies and the Guarantor, shall have furnished to the Representatives, at the request of the Companies and the Guarantor, their written opinion, dated the Closing Date and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives. In rendering such opinion, Polsinelli PC may rely upon representations and covenants of duly appointed officers of the Companies, the Guarantor and their respective subsidiaries (including, without limitation, any such representations, covenants or statements made in certificates provided by such officers to counsel) and may make such assumptions as are customary with commercial practices.

(h) *Opinion and Negative Assurance Letter of Counsel for the Underwriters.* The Representatives shall have received on and as of the Closing Date an opinion and negative assurance letter, addressed to the Underwriters, of Paul Hastings LLP, counsel for the Underwriters, with respect to such matters as the Representatives may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(i) *No Legal Impediment to Sale.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Notes or the issuance of the Guarantee; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Notes or the issuance of the Guarantee.

(j) *Good Standing.* The Representatives shall have received on and as of the Closing Date satisfactory evidence of the good standing of each of the Companies and the Guarantor in their respective jurisdictions of organization and their good standing as foreign entities in such other jurisdictions as the Representatives may reasonably request, in each case in writing or any

standard form of telecommunication from the appropriate governmental authorities of such jurisdictions.

(k) *DTC*. The Notes shall be eligible for clearance and settlement through DTC.

(l) *The Seventeenth Supplemental Indenture and the Notes*. The Seventeenth Supplemental Indenture shall have been duly executed and delivered by a duly authorized officer of the Companies, the Guarantor and Computershare Trust Company, N.A. (the "Trustee"), as successor to Wells Fargo Bank, National Association, and the Notes shall have been duly executed and delivered by a duly authorized officer of the Companies and duly authenticated by the Trustee.

(m) *Additional Documents*. On or prior to the Closing Date, the Companies and the Guarantor shall have furnished to the Representatives such further certificates and documents as the Representatives may reasonably request for the purposes of enabling them to pass upon the issuance and sale of the Securities as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements contained herein.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

7. Indemnification and Contribution

(a) *Indemnification of the Underwriters*. The Companies and the Guarantor jointly and severally agree to indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted as such expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus, any "issuer information" filed pursuant to Rule 433(d) under the Securities Act, any "road show" as defined in Rule 433(h) under the Securities Act (a "road show") or any Pricing Disclosure Package (including any Pricing Disclosure Package that has subsequently been amended), or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to the Companies in writing by such Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in paragraph (b) below.

(b) *Indemnification of the Companies and the Guarantor*. Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Companies, the Guarantor, each of their respective directors and officers who signed the Registration Statement and each person, if any, who controls the Companies or the Guarantor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with

respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Underwriter furnished to the Companies in writing by such Underwriter through the Representatives expressly for use in the Registration Statement, the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus, or any Pricing Disclosure Package, it being understood and agreed that the only such information furnished by any Underwriter consists of the following paragraphs in the Preliminary Prospectus and the Prospectus furnished on behalf of each Underwriter: the third paragraph, the second sentence of the fifth paragraph and the eighth paragraph under the heading "Underwriting".

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by the Representatives and any such separate firm for the Companies, the Guarantor, their respective directors and officers who signed the Registration Statement and any control persons of the Companies and the Guarantor shall be designated in writing by the Companies and the Guarantor. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by the Indemnifying Person of such request, (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement and (iii) such Indemnifying Person shall have received

notice of the terms of such settlement at least 45 days prior to such settlement being entered into. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Companies and the Guarantor on the one hand and the Underwriters on the other from the offering of the Securities or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Companies and the Guarantor on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Companies and the Guarantor on the one hand and the Underwriters on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Companies from the sale of the Securities and the total discounts and commissions received by the Underwriters in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate offering price of the Securities. The relative fault of the Companies and the Guarantor on the one hand and the Underwriters on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Companies or the Guarantor or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* The Companies, the Guarantor and the Underwriters agree that it would not be just and equitable if the amount of such contribution pursuant to paragraph (d) above were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of paragraphs (d) and (e), in no event shall an Underwriter be required to contribute any amount in excess of the amount by which the total discounts and commissions received by such Underwriter with respect to the offering of the Securities exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to paragraphs (d) and (e) are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

8. Effectiveness of Agreement. This Agreement shall become effective upon execution and delivery hereof by the parties hereto.

9. Termination. This Agreement may be terminated in the discretion of the Representatives, by notice to the Operating Partnership, if after the execution and delivery of this Agreement and on or prior to the Closing Date (i) trading generally shall have been suspended or materially limited by either of the New York Stock Exchange or the Nasdaq; (ii) trading of any securities issued or guaranteed by the Companies or the Guarantor shall have been suspended on any such exchanges or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Representatives, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the Closing Date on the terms and in the manner contemplated by this Agreement, the Pricing Disclosure Package and the Prospectus.

10. Defaulting Underwriter.

(a) If, on the Closing Date, any Underwriter defaults on its obligation to purchase the Securities of a series that it has agreed to purchase hereunder, the non-defaulting Underwriters may in their discretion arrange for the purchase of such Securities of the applicable series by other persons satisfactory to the Companies on the terms contained in this Agreement. If, within 36 hours after any such default by any Underwriter, the non-defaulting Underwriters do not arrange for the purchase of such Securities of the applicable series, then the Companies shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the non-defaulting Underwriters to purchase such Securities of the applicable series on such terms. If other persons become obligated or agree to purchase the Securities of such series of a defaulting Underwriter, either the non-defaulting Underwriters or the Companies may postpone the Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Companies or counsel for the Underwriters may be necessary in the Registration Statement and the Prospectus or in any other document or arrangement, and the Companies agree to promptly prepare any amendment or supplement to the Registration Statement and the Prospectus that effects any such changes. As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 1 hereto that, pursuant to this Section 10, purchases Securities of the applicable series that a defaulting Underwriter agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a series of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Companies as provided in paragraph (a) above, the aggregate principal amount of such Securities of the applicable series that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities of the applicable series, then the Companies shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities of the applicable series that such Underwriter agreed to purchase hereunder plus such Underwriter's pro rata share (based on the principal amount of Securities of the applicable series that such Underwriter agreed to purchase hereunder) of the Securities of the applicable series of such defaulting Underwriter or Underwriters for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a series of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Companies as provided in paragraph (a) above, the aggregate principal amount of such Securities of the applicable series that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities

of the applicable series, or if the Companies shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the non-defaulting Underwriters. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of the Companies or the Guarantor, except that the Companies and the Guarantor will continue to be liable for the payment of expenses as set forth in Section 11 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Companies, the Guarantor or any non-defaulting Underwriter for damages caused by its default.

11. Payment of Expenses.

(a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Companies and the Guarantor, jointly and severally, agree to pay or cause to be paid all costs and expenses incident to the performance of their obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Securities Act of the Registration Statement, the Preliminary Prospectus, any Issuer Free Writing Prospectus, any Pricing Disclosure Package and the Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the fees and expenses of the Companies' and the Guarantor's counsel and the Companies' and the Guarantor's independent accountants; (iv) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Securities under the laws of such jurisdictions as the Representatives may designate and the preparation, printing and distribution of a "blue sky" memorandum (including the related reasonable fees and expenses of counsel for the Underwriters); (v) any fees charged by rating agencies for rating the Securities; (vi) the fees and expenses of the Trustee and any paying agent (including related fees and expenses of any counsel to such parties); (vii) all expenses and application fees incurred in connection with the approval of the Notes for book-entry transfer by DTC; (viii) the fees and expenses of the Trustee, including the fees and disbursements of counsel for the Trustee in connection with the Indenture, the Seventeenth Supplemental Indenture and the Securities, (ix) [reserved] and (x) all expenses incurred by the Companies and the Guarantor in connection with any "road show" presentation to potential investors provided that private aircraft travel expenses incurred in connection with such "road show" and other meetings shall be allocated 50% to the Companies and the Guarantor, on one hand, and 50% to the Underwriters on the other hand, and the Companies and the Guarantor on one hand, and the Underwriters in the aggregate (but severally as to their portion) on the other hand, shall each pay their own expenses for all other travel expenses. Except as provided in Section 7 and in this Section 11, the Underwriters shall pay their own expenses, including the fees and disbursements of their counsel.

(b) If (i) this Agreement is terminated pursuant to Section 9, (ii) the Companies for any reason fail to tender the Securities for delivery to the Underwriters (other than solely by reason of a default by the Underwriters of their obligations hereunder after all conditions hereunder have been satisfied in accordance herewith), or (iii) the Underwriters decline to purchase the Securities for any reason permitted under this Agreement, the Companies and the Guarantor jointly and severally agree to reimburse the Underwriters (other than a defaulting underwriter) for all documented out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with this Agreement and the offering contemplated hereby.

12. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and any controlling persons referred to in Section 7 hereof, the officers and directors of the Companies and the Guarantor referred to

Re: Securities Registered under Registration Statement on Form S-3

We have acted as counsel to you in connection with your filing of a Registration Statement on Form S-3 (File Nos. 333-286909, 333-286909-01 and 333-286909-02) (as amended or supplemented, the “**Registration Statement**”) on May 1, 2025 with the Securities and Exchange Commission (the “**Commission**”) pursuant to the Securities Act of 1933, as amended (the “**Securities Act**”), relating to the registration of the offer of, among other securities, (i) debt securities (the “**Debt Securities**”) of GLP Capital, L.P. (the “**Operating Partnership**”), a Pennsylvania limited partnership, and GLP Financing II, Inc., a Delaware corporation (together with the Operating Partnership, the “**Issuers**”) and (ii) the guarantee of the Debt Securities (the “**Guarantee**”) by Gaming and Leisure Properties, Inc., a Pennsylvania corporation (the “**Guarantor**”). The Registration Statement became effective upon filing with the Commission on May 1, 2025.

Reference is made to our opinion letter dated May 1, 2025 and included as Exhibit 5.2 to the Registration Statement. We are delivering this supplemental opinion letter in connection with the prospectus supplement (the “**Prospectus Supplement**”) filed on February 25, 2026 by the Issuers and the Guarantor with the Commission pursuant to Rule 424 under the Securities Act. The Prospectus Supplement relates to the offering by the Issuers of \$800.0 million aggregate principal amount of Debt Securities in the form of 5.625% senior notes due 2036 (the “**Notes**”) and the Guarantee of the Notes by the Guarantor (the “**Note Guarantee**”).

The Notes and the Note Guarantee are being sold to the several underwriters named in, and pursuant to, an underwriting agreement dated February 25, 2026, by and among the Issuers, the Guarantor and Wells Fargo Securities, LLC, Truist Securities, Inc., Citizens JMP Securities, LLC and Fifth Third Securities, Inc., as representatives of the several underwriters (the “**Underwriting Agreement**”).

We have reviewed such documents and made such examination of law as we have deemed appropriate to give the opinions set forth below. We have relied, without independent verification, on certificates of public officials and, as to matters of fact material to the opinions set forth below, on certificates of officers of the Issuers and the Guarantor.

We refer to the Seventeenth Supplemental Indenture, which is anticipated to be dated on or about March 4, 2026 and entered into by the Issuers, the Guarantor and Computershare Trust Company, N.A. (the “**Trustee**”), as successor to Wells Fargo Bank, National Association, as trustee (the “**Indenture Trustee**”), establishing the terms of the Notes and the Note Guarantee, in a form consistent with that authorized by the Issuers and the Guarantor (the “**Seventeenth Supplemental Indenture**”). The Seventeenth Supplemental Indenture will amend and supplement the Indenture, dated as of October 30, 2013, by and among the Issuers, the Guarantor and the Indenture Trustee (the “**Base Indenture**”), as amended and supplemented by the First Supplemental Indenture, dated as of March 28, 2016, by and among the Issuers, the Guarantor and the Indenture Trustee (together with the Base Indenture, the “**Indenture**”). We refer to the Indenture, as amended and supplemented by the Seventeenth Supplemental Indenture as the “**Notes Indenture**”.

We refer to the Notes Indenture, the Notes and the Note Guarantee as the “**Subject Documents**”.

In our examination of the Subject Documents and other documents relevant to the opinions set forth below, we have assumed, without independent verification, (i) the genuineness of all signatures, (ii) the legal capacity of all natural persons, (iii) the authenticity and completeness of all Subject Documents submitted to us as originals, (iv) the

conformity to originals of any Subject Documents submitted to us as copies or by facsimile or other means of electronic transmission and (v) the truth, accuracy and completeness of information, representations and warranties contained in the Subject Documents. We have also assumed the validity and constitutionality of each relevant statute, rule, regulation and action by governmental agencies covered by this opinion letter, unless a reported decision of a court in the relevant jurisdiction has held otherwise.

The opinions set forth below are limited to the Delaware General Corporation Law and the law of New York.

We have assumed that the Guarantor and the Operating Partnership, which are not formed in Delaware, are each validly existing and in good standing and have each duly authorized, executed and delivered the Note Guarantee and the Notes, as applicable, and the Notes Indenture under the law of the jurisdiction where they were incorporated and formed, respectively. These matters are addressed in the opinion letter of Polsinelli PC, which has been separately provided to you.

Based on the foregoing, and subject to the additional qualifications set forth below, we are of the opinion that:

(1) Upon the due execution and delivery of the Seventeenth Supplemental Indenture by each of the parties thereto and the execution, authentication and issuance of the Notes against payment therefor pursuant to the Underwriting Agreement and in accordance with the terms of the Notes Indenture, the Notes will be valid and binding obligations of the Issuers, enforceable against the Issuers in accordance with their terms.

(2) Upon the due execution and delivery of the Seventeenth Supplemental Indenture by each of the parties thereto, the execution, authentication and issuance of the Notes against payment therefor pursuant to the Underwriting Agreement and in accordance with the terms of the Notes Indenture and the execution and issuance of the Note Guarantee in accordance with the terms of the Notes Indenture, the Note Guarantee will be a valid and binding obligation of the Guarantor, enforceable against it in accordance with its terms.

The opinions set forth above are subject to the following additional qualifications:

(i) Our opinions set forth above as to enforceability are subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws of general application affecting the rights and remedies of creditors and to general principles of equity.

(ii) Without limiting the qualification in clause (i) above, we express no opinion with respect to: (a) the Guarantor being primarily liable rather than liable as a surety; (b) the waiver of modifications of any guaranteed obligation to the extent such modifications constitute a novation; or (c) the election of remedies that may impair the subrogation or reimbursement rights of any Guarantor against the principal obligor or otherwise prejudice the Guarantor without its consent.

(iii) We express no opinion with respect to any provision of any of the Subject Documents relating to: (a) non-reliance, exculpation, disclaimer, limitation of liability, indemnification, contribution, waiver, limitation or exclusion of remedies; (b) liquidated damages, forfeitures, default interest, late charges, make-whole premiums, payment of attorneys' fees, collection upon acceleration of amounts that might be determined to constitute unearned interest thereon, or other economic remedies, in each case to the extent it constitutes a penalty or is prohibited by law; (c) concepts of materiality, reasonableness, good faith, fair dealing or unconscionability; (d) governing law (except for the enforceability of any provision choosing New York law as a Subject Document's governing law pursuant to the statutes referred to in paragraph (iv) below); (e) the waiver of the right to trial by jury or of usury, stay, extension and similar laws; (f) rights or remedies not being exclusive, not preventing the concurrent assertion of any other right or remedy, being cumulative and exercisable in addition to any other right and remedy, or any delay or omission to exercise any right or remedy not impairing any right or remedy or not constituting a waiver thereof; (g) any obligation or agreement to use best efforts, reasonable best efforts or commercially reasonable efforts; (h) any requirement that a party take further action or enter into further agreements or instruments or provide further assurances;

(i) any requirement that amendments or waivers be in writing insofar as they suggest that oral or other modifications, amendments or waivers could not be effectively agreed upon by the parties or that the doctrine of promissory estoppel might not apply; (j) service of process by any method not provided for under applicable

statute or court rule; and (k) the severability of any provisions to the foregoing effect to the extent such provisions are unenforceable.

(iv) To the extent that any opinion above relates to the enforceability of the choice of New York law, selection of a New York forum or exclusive jurisdiction provisions in any of the Subject Documents, that opinion is given solely in reliance on N.Y. Gen. Oblig. Law §§ 5-1401, 5-1402 (McKinney 2010) and N.Y. CPLR 327(b) (McKinney 2010) and is subject to the qualifications that enforceability may be limited by public policy or other considerations of any jurisdiction, other than the State of New York, in which enforcement of such provisions, or of a judgment upon an agreement containing such provisions, is sought and by constitutional limitations.
