Peter Carlino, Chairman and Chief Executive Officer of GLPI, commented, “The merits of our strategy to work with the industry’s leading operators and support their current and future initiatives, while expanding and diversifying our tenant roster in an accretive manner, was evident again in our record third quarter results. On an operating basis, third quarter total revenue rose 7.7% year over year to \$359.6 million and AFFO grew 6.9% on a comparable basis. Our third quarter and year-to-date financial growth reflects GLPI’s stable base of gaming operator tenants and benefited from ten properties added in 2022 and in the nine-month period ended September 30, 2023, which we expect will continue to benefit comparisons in the balance of 2023 and beyond. With our opportunistic approach to portfolio expansion, the proven long-term resiliency of our tenants’ revenue streams, and comfortable rent coverage ratios across our portfolio, we expect to continue to deliver strong capital returns and yields for our shareholders which is highlighted by our third quarter 2023 dividend of \$0.73 per share, up from \$0.705 per share in the year-ago period.

“Our pipeline of growth opportunities remains robust and in the third quarter we expanded our footprint with the acquisition of the land associated with the Hard Rock Casino development project in Rockford, IL for \$100 million and entered into a 99-year ground lease with 815 Entertainment with initial annual rent of \$8 million. The strong initial results at 815 Entertainment’s temporary facility demonstrate the attractiveness of the property’s location and the depth of the market. Hard Rock is the property manager of and an equity investor in 815 Entertainment, bringing its world-class management team to the project and we expect that the world-renowned Hard Rock brand would support and solidify the new casino’s position as a tourist destination and entertainment venue. The overall transaction structure reflects our creativity in crafting a comprehensive construction financing solution.

“We further expanded our footprint through the acquisition of the land and certain improvements at Casino Queen Marquette for \$32.72 million resulting in an annual rent increase on the Casino Queen Master Lease of \$2.7 million. We continue to believe there are near- and longer-term cases for GLPI to further support tenants with innovative financing, capital and development structures in an accretive, prudent manner. This operating strategy has driven stable, visible growth of our rental cash flows and AFFO for ten years, enabling GLPI to consistently increase capital returns to shareholders.

“After undergoing an \$85 million transformation, The Queen Baton Rouge, formerly known as Hollywood Casino Baton Rouge, opened to the public on August 24, marking Louisiana’s freshest casino gaming, sports wagering, entertainment, and dining location. The rebranded and completely new property, now situated on dry land near downtown along the Mississippi River, is poised to become a premier dining and entertainment destination, boasting an expanded footprint of over 100,000 square feet. Rent under the Casino Queen Master Lease was adjusted to reflect a yield of 8.25% on GLPI’s project costs of \$77 million.

“We remain excited about the agreement we entered into earlier this year with our tenant Bally’s and Major League Baseball’s Oakland Athletics, to develop an integrated casino within a new 30,000-seat Las Vegas stadium for the team at our 35-acre Tropicana site. GLPI intends to commit to up to \$175 million of funding for construction costs and may have the opportunity to provide additional construction financing under certain circumstances. In June, the Nevada legislature approved public funding for the A’s Las Vegas stadium paving the way for the stadium project at the site and the ultimate re-development of the Tropicana Las Vegas. The letter of intent provides that the transaction will be subject to customary approvals and other conditions, including the approval of the MLB owners to relocate the team on or before December 1, 2023, and certain approvals by the Nevada Gaming Control Board and Nevada Gaming Commission.

“With recent portfolio additions and completed transactions combined with contractual rent escalators, we see continued financial growth in the balance of 2023 and beyond. Our disciplined capital investment approach, combined with our focus on stable and resilient regional gaming markets, supports our confidence that the Company is well positioned to further grow our cash dividend and drive long-term shareholder value.”

Recent Developments

- On September 6, 2023, the Company acquired the land and certain improvements at Casino Queen Marquette for \$32.72 million. The annual rent on the Casino Queen Master Lease was increased by \$2.7 million for this acquisition. Additionally, the Company anticipates funding up to \$12.5 million of certain construction costs of a landside development project at Casino Queen Marquette that is expected to be completed by December 31, 2024.
- In September 2023, the Company sold 4.4 million shares through a sales agent in at the market offerings which raised net proceeds of \$210.8 million.
- On August 29, 2023, the Company acquired the land associated with the Hard Rock Casino development project in Rockford, IL from an affiliate of 815 Entertainment, LLC (together, "815 Entertainment") for \$100 million. Simultaneously with the land acquisition, GLPI entered into a ground lease with 815 Entertainment for a 99- year term. The initial annual rent for the ground lease is \$8 million, subject to fixed 2% annual escalation beginning with the lease's first anniversary and for the entirety of its term. (the "Rockford Lease")
- In addition to the Rockford Lease, GLPI has also committed to providing up to \$150 million of development funding (of which \$40 million was funded as of September 30, 2023) via a senior secured delayed draw term loan (the "Rockford Loan"). Any borrowings under the Rockford Loan will be subject to an interest rate of 10%. The Rockford Loan has a draw period of up to one year and a maximum outstanding period of up to six years (five-year initial term with a one-year extension). The Rockford Loan is prepayable without penalty following the opening of the Hard Rock

- Casino in Rockford, IL, which is expected in September 2024. The Rockford Loan advances are subject to typical construction lending terms and conditions. The Company also received a right of first refusal on the building improvements of the Hard Rock Casino in Rockford, IL if there is a future decision to sell them once completed.
- On August 24, 2023, the Company's landside development project at Casino Queen Baton Rouge opened to the public. Rent under the Casino Queen Master Lease was adjusted to reflect a yield of 8.25% on GLPI's project costs of \$77 million.
 - On May 13, 2023, the Company, Tropicana Las Vegas, Inc., a Nevada corporation and wholly owned subsidiary of Bally's Corporation (NYSE: BALY) ("Bally's"), and Athletics Holdings LLC ("Athletics"), which owns the Major League Baseball ("MLB") team currently known as the Oakland Athletics (the "Team"), entered into a binding letter of intent (the "LOI") setting forth the terms for developing a stadium that would serve as the home venue for the Team (the "Stadium"). The Stadium is expected to complement the potential resort redevelopment envisioned at our 35-acre property in Clark County, Nevada (the "Tropicana Site"), owned indirectly by GLPI through its indirect subsidiary Tropicana Land LLC, a Nevada limited liability company, and leased by GLPI to Bally's pursuant to that certain Ground Lease dated as of September 26, 2022 (the "Original Ground Lease"). The LOI allows for Athletics to be granted fee ownership by GLPI of approximately 9 acres of the Tropicana Site for construction of the Stadium. The LOI provides that following the Stadium site transfer, there will be no reduction in the rent obligations of Bally's on the remaining portion of the Tropicana Site or other modifications to the Original Ground Lease, and that to the extent GLPI has any consent or approval rights under the Original Ground Lease, such rights shall remain enforceable unless expressly modified in writing in the definitive documents. Bally's and GLPI are agreeing to provide the Stadium site transfer in exchange for the benefits that the Stadium is expected to bring to the Tropicana Site. The LOI provides that the Athletics shall pay all the costs associated with the design, development, and construction of the Stadium and Bally's shall pay all costs for the redevelopment of the casino and hotel resort amenities. GLPI is expected to commit to up to \$175 million of funding for hard construction costs, such as demolition and site preparation and build out of minimum public spaces needed for utilization of the Stadium (including, without limitation, a food, beverage and retail entrance plaza and structured parking). The LOI provides that during the development period, rent will be due at 8.5% of what has been funded, provided that the first \$15.0 million advanced for the costs of construction of the food, beverage and retail entrance plaza shall not be subject to increased rent. GLPI may have the opportunity to fund additional amounts of the construction under certain circumstances. In addition, the LOI provides that the transaction will be subject to customary approvals and other conditions, including, without limitation, the approval of the MLB owners to relocate the Team on or before December 1, 2023, and certain approvals by the Nevada Gaming Control Board and Nevada Gaming Commission.
 - On January 13, 2023, the Company called for redemption of all of its \$500 million, 5.375% Senior Notes (the "Notes") due in 2023. GLPI redeemed all of the Notes on February 12, 2023 (the "Redemption Date") for \$507.5 million which represented 100% of the principal amount of the Notes plus accrued interest through the Redemption Date. GLPI funded the redemption of the Notes primarily from cash on hand as well as through the settlement of the Company's forward sale agreement which resulted in net proceeds of \$64.6 million through the issuance of 1,284,556 shares.
 - On January 3, 2023, the Company completed its previously announced acquisition from Bally's of the real property assets of Bally's Tiverton and Hard Rock Hotel & Casino Biloxi for total consideration of \$635 million, inclusive of approximately \$15 million in the form of OP units. These properties were added to the Company's existing Master Lease with Bally's. The initial rent for the lease was increased by \$48.5 million on an annualized basis, subject to contractual escalations based on the Consumer Price Index ("CPI"), with a 1% floor and a 2% ceiling, subject to CPI meeting a 0.5% threshold.

In connection with the closing, a \$200 million deposit funded by GLPI in September 2022 was returned to the Company along with a \$9.0 million transaction fee that was accounted for as a reduction of the purchase price of the assets acquired with no earnings impact. Concurrent with the closing, GLPI borrowed \$600 million under its previously structured delayed draw term loan.

GLPI continues to have the option, subject to receipt by Bally's of required consents to acquire the real property assets of Bally's Twin River Lincoln Casino Resort in Lincoln, RI prior to December 31, 2026, for a purchase price of \$771 million which, if consummated, would result in additional initial rent of \$58.8 million.

- Effective January 1, 2023, the Company completed the creation of a new master lease (the "PENN 2023 Master Lease") with PENN Entertainment, Inc. (NASDAQ: PENN) ("PENN") for seven of PENN's current properties. The

Company and PENN also agreed to a funding mechanism to support PENN's relocation and development opportunities at several properties included in the PENN 2023 Master Lease.

The original PENN Master Lease was amended (the "Amended PENN Master Lease") to remove PENN's properties in Aurora and Joliet, Illinois, Columbus and Toledo, Ohio, and Henderson, Nevada. Those properties were added to the PENN 2023 Master Lease. In addition, the existing leases for the Hollywood Casino at The Meadows in Pennsylvania and Hollywood Casino Perryville in Maryland were terminated and these properties were transferred to the PENN 2023 Master Lease. GLPI agreed to fund up to \$225 million for the relocation of PENN's riverboat casino in Aurora at a 7.75% cap rate. GLPI also agreed to fund, at PENN's election, up to an additional \$350 million for the relocation of Hollywood Casino Joliet as well as the construction of a hotel at Hollywood Casino Columbus and a second hotel tower at the M Resort Spa Casino in Henderson, Nevada, at the then current market rates.

The terms of the PENN 2023 Master Lease and the Amended PENN Master Lease are substantially similar to the original PENN Master Lease with the following key differences:

- The PENN 2023 Master Lease is cross-defaulted and co-terminus with the Amended PENN Master Lease;
- The annual rent for the PENN 2023 Master Lease is \$232.2 million in base rent which is fixed with annual escalation of 1.50%, with the first escalation occurring for the lease year beginning on November 1, 2023; and,
- The annual rent for the Amended PENN Master Lease is \$284.1 million, consisting of \$208.2 million of building base rent, \$43.0 million of land base rent, and \$32.9 million of percentage rent.

Dividends

On August 30, 2023, the Company's Board of Directors declared the third quarter dividend of \$0.73 per share on the Company's common stock. The dividend was paid on September 29, 2023 to shareholders of record on September 15, 2023. The third quarter 2022 dividend was \$0.705 per share on the Company's common stock.

2023 Guidance

Reflecting the current operating and competitive environment, the Company is updating its AFFO guidance for the full year 2023 based on the following assumptions and other factors:

- The guidance does not include the impact on operating results from any pending or possible future acquisitions or dispositions, future capital markets activity, or other future non-recurring transactions.
- The guidance assumes there will be no material changes in applicable legislation, regulatory environment, world events, including a new pandemic outbreak, weather, recent consumer trends, economic conditions, oil prices, competitive landscape or other circumstances beyond our control that may adversely affect the Company's results of operations.
- We anticipate that annual percentage rent will decline by approximately \$5.0 million to \$6.0 million and annual building base rent will increase by \$4.2 million on the Amended Penn Master Lease effective November 1, 2023, resulting in an overall reduction to the Company's 2023 rental income of between \$0.1 million and \$0.3 million.

The Company estimates AFFO for the year ending December 31, 2023 will be between \$1,003 million and \$1,006 million, or between \$3.68 and \$3.69 per diluted share and OP units. GLPI's prior guidance contemplated AFFO for the year ending December 31, 2023 of between \$994 million and \$999 million, or between \$3.66 and \$3.68 per diluted share and OP units.

The Company does not provide a reconciliation for non-GAAP estimates on a forward-looking basis, including the information above, where it is unable to provide a meaningful or accurate calculation or estimation of reconciling items and the information is not available without unreasonable effort. This is due to the inherent difficulty of forecasting the timing and/or amounts of various items that would impact net income, which is the most directly comparable forward-looking GAAP financial measure. This includes, for example, provision for credit losses, net, acquisition costs and other non-core items that have not yet occurred, are out of the Company's control and/or cannot be reasonably predicted. For the same reasons, the Company is unable to address the probable significance of the unavailable information. In particular, the Company is unable to predict with reasonable certainty the amount of the change in the provision for credit losses, net, under ASU No. 2016-13 - Financial Instruments - Credit Losses ("ASC 326") in future periods. The non-cash change in the provision for credit losses under ASC 326 with respect to future periods is dependent upon future events that are entirely outside of the Company's control and may

not be reliably predicted, including the performance and future outlook of our tenant's operations for our leases that are accounted for as investment in leases, financing receivables, as well as broader macroeconomic factors and future predictions of such factors. As a result, forward-looking non-GAAP financial measures provided without the most directly comparable GAAP financial measures may vary materially from the corresponding GAAP financial measures.

Disclosure Regarding Non-GAAP Financial Measures

FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash Net Operating Income ("Cash NOI"), which are detailed in the reconciliation tables that accompany this release, are used by the Company as performance measures for benchmarking against the Company's peers and as internal measures of business operating performance, which is used for a bonus metric. These metrics are presented assuming full conversion of limited partnership units to common shares and therefore before the income statement impact of non-controlling interests. The Company believes FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI provide a meaningful perspective of the underlying operating performance of the Company's current business. This is especially true since these measures exclude real estate depreciation and we believe that real estate values fluctuate based on market conditions rather than depreciating in value ratably on a straight-line basis over time. Cash NOI is rental and other property income, less cash property level expenses. Cash NOI excludes depreciation, the amortization of land rights, real estate general and administrative expenses, other non-routine costs and the impact of certain generally accepted accounting principles ("GAAP") adjustments to rental revenue, such as straight-line rent adjustments and non-cash ground lease income and expense. It is management's view that Cash NOI is a performance measure used to evaluate the operating performance of the Company's real estate operations and provides investors relevant and useful information because it reflects only income and operating expense items that are incurred at the property level and presents them on an unleveraged basis.

FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI are non-GAAP financial measures that are considered supplemental measures for the real estate industry and a supplement to GAAP measures. NAREIT defines FFO as net income (computed in accordance with GAAP), excluding (gains) or losses from dispositions of property, net of tax and real estate depreciation. We have defined AFFO as FFO excluding, as applicable to the particular period, stock based compensation expense, the amortization of debt issuance costs, bond premiums and original issuance discounts, other depreciation, the amortization of land rights, accretion on investment in leases, financing receivables, non-cash adjustments to financing lease liabilities, property transfer tax recoveries, impairment charges, straight-line rent adjustments, losses on debt extinguishment, and provision (benefit) for credit losses, net, reduced by capital maintenance expenditures. We have defined Adjusted EBITDA as net income excluding, as applicable to the particular period, interest, net, income tax expense, real estate depreciation, other depreciation, (gains) or losses from dispositions of property, net of tax, stock based compensation expense, straight-line rent adjustments, the amortization of land rights, accretion on investment in leases, financing receivables, non-cash adjustments to financing lease liabilities, property transfer tax recoveries, impairment charges, losses on debt extinguishment, and provision (benefit) for credit losses, net. Finally, we have defined Cash NOI as Adjusted EBITDA excluding general and administrative expenses and including, as applicable to the particular period, stock based compensation expense and (gains) or losses from dispositions of property.

FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI are not recognized terms under GAAP. These non-GAAP financial measures: (i) do not represent cash flow from operations as defined by GAAP; (ii) should not be considered as an alternative to net income as a measure of operating performance or to cash flows from operating, investing and financing activities; and (iii) are not alternatives to cash flow as a measure of liquidity. In addition, these measures should not be viewed as an indication of our ability to fund all of our cash needs, including to make cash distributions to our shareholders, to fund capital improvements, or to make interest payments on our indebtedness. Investors are also cautioned that FFO, FFO per diluted common share and OP units, AFFO, AFFO per diluted common share and OP units, Adjusted EBITDA and Cash NOI, as presented, may not be comparable to similarly titled measures reported by other real estate companies, including REITs, due to the fact that not all real estate companies use the same definitions. Our presentation of these measures does not replace the presentation of our financial results in accordance with GAAP.

Forward-Looking Statements

This press release includes “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including our expectations regarding our 2023 AFFO guidance and the Company benefiting from recently completed transactions. Forward-looking statements can be identified by the use of forward-looking terminology such as “expects,” “believes,” “estimates,” “intends,” “may,” “will,” “should” or “anticipates” or the negative or other variation of these or similar words, or by discussions of future events, strategies or risks and uncertainties. Such forward-looking statements are inherently subject to risks, uncertainties and assumptions about GLPI and its subsidiaries, including risks related to the following: GLPI’s belief that there are near- and longer-term cases for GLPI to further support tenants with innovative financing, capital and development structures in an accretive, prudent manner; our expectation to see continued financial growth over the balance of 2023 and beyond, reflecting our recent portfolio expansions, recently completed transactions and contractual rent escalators; our expectation that our disciplined capital investment approach, combined with our focus on stable and resilient regional gaming markets, supports our confidence that the Company is well positioned to further grow our cash dividend and drive long-term shareholder value; GLPI’s ability to successfully consummate the transactions contemplated by the May 2023 LOI with Bally’s and Athletics, including the ability of the parties to satisfy the various conditions and approvals, including receipt of approvals from the MLB owners, Nevada Gaming Control Board and Nevada Gaming Commission; the effect of pandemics, such as COVID-19, on GLPI as a result of the impact such pandemics may have on the business operations of GLPI’s tenants and their continued ability to pay rent in a timely manner or at all; the potential negative impact of ongoing high levels of inflation (which have been exacerbated by the armed conflict between Russia and Ukraine and may be further impacted by recent events in the Middle East) on our tenants’ operations, the availability of and the ability to identify suitable and attractive acquisition and development opportunities and the ability to acquire and lease those properties on favorable terms; the ability to receive, or delays in obtaining, the regulatory approvals required to own and/or operate its properties, or other delays or impediments to completing acquisitions or projects; GLPI’s ability to maintain its status as a REIT; our ability to access capital through debt and equity markets in amounts and at rates and costs acceptable to GLPI; the impact of our substantial indebtedness on our future operations; changes in the U.S. tax law and other state, federal or local laws, whether or not specific to REITs or to the gaming or lodging industries; and other factors described in GLPI’s Annual Report on Form 10-K for the year ended December 31, 2022, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, each as filed with the Securities and Exchange Commission. All subsequent written and oral forward-looking statements attributable to GLPI or persons acting on GLPI’s behalf are expressly qualified in their entirety by the cautionary statements included in this press release. GLPI undertakes no obligation to publicly update or revise any forward-looking statements contained or incorporated by reference herein, whether as a result of new information, future events or otherwise, except as required by law. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this press release may not occur as presented or at all.
